Sir C. C. Howard,

Dear Friend & Bro.: Your kind letter dated Sept. 18 has just reached me. I hope my failure to write sooner has not caused you any worry; the letter had quite a time catching up with me.

Summer vacation commenced July 2, and I decided that I would have to earn at least part of my next year’s expenses; so after securing an outfit and borrowing a bicycle I started on a tour of the state; for a time I was moderately successful, and really hoped to have considerable money to start the year with; but then came those storms which destroyed nearly all the crops, and affected the farmers...
very much discouraged, this conflict with the political excitement made times very hard for me, and the end of vacation found me (three good old German English) home.

Just here let me thank you most heartily for the check contained in your letter. I am thankful to know that you still continue to take an interest in me, and I trust that you may receive your reward through Jesus Christ.

The fall term has opened here. But I have not yet entered. I am waiting to hear from Mr. Miller. I had some notion of going to Conyngham, Pa. as there I could save one year. But at present I am not sure that I will be able to enter anywhere; still I am trusting in the Lord and know that he will bring it out all right for all things work together for good to them that love God.

Trust that you are being richly blessed of God, remain yours in Christ

Dear O. O. Howard,

Dear Sir,

Please accept this as a very feeble expression of our gratitude and high regard for you, for showing our son A. C. Newcomer the kindness you did when he was first admitted to Military Academy at West Point in 1882.

May the God that overrules the destiny of nations bless and protect you is the prayer of

Dear Sir:-

We have the honor to send you herewith advance sheets of an interesting article in the forthcoming number of The Century, concerning which we are inviting the opinion of a number of officers who attained high rank in the Union or Confederate Army. It would add very much to the interest of this symposium, and we should be much obliged, if you would send us your frank opinion of the correctness of the article, to the extent of from two hundred to five hundred words. We desire to print these communications in the January number of the magazine, and would therefore consider it a further favor if you would send your response as soon as may be convenient.

Hoping for your kind compliance with this request,

Respectfully yours,

The Editor.

My dear General,

I must write a line to say how glad I am for the grand work you and General Cilkes and your soldier party are doing to save the credit of the nation and the very nation itself from disaster. I follow you in the daily reports with intense interest.

All praise to the venerable heroes of the war, who still have the power, ability, and will to defend the nation's honor! faithfully and affectionately,

I am at the Hotel Royal in Naples. It is a grand hotel with beautiful architecture and a great view of the sea. The weather is warm and sunny. I have been enjoying the beach and exploring the city.

Yesterday was a busy day. I went to the market and bought some fresh seafood. It was delicious! Later, I visited the local museum and learned about the history of Naples. Today, I plan to take a boat tour around the bay and see some of the nearby islands.

Life is good here. I have met some interesting people and have made some new friends. I hope to come back soon.

Yours truly,

Dear General Howard,

I am filled with pleasure at the news that you will be coming to Washington in the course of your tour of inspection.

I sincerely hope that you will find the accommodations at the home satisfactory and that you will be satisfied with the work that has been done.

I am confident that the care and attention given to the sick and wounded soldiers will be appreciated by all who have served in the Army.

With the best wishes for your success, I remain,

Dear General Howard:

It is proposed to have a series of Missionary Meetings at the Fourth Avenue Presbyterian Church in this City. The pastor Dr. Davies desires to give one of the evenings to the American Tract Society and the American Bible Society. Would your plans for November render it possible for you to be in this City about the 15th of that month to preside at that Meeting?

I write to you thus early, and indeed before the dates of the Meetings are definitely fixed, so as to gain, if possible, your consent before you make other engagements.

Yours most cordially,

Dear father—Will you please answer these lines. I am in New York and would like to see your meeting. I am also to be in Philadelphia and would like to see your meeting. The meeting is going into hands of a Receiver. Book saloon I have a lien on them. But the Co. only owe $2500; I will pay all right. I need a $300 for family. I must think 400. Don't you know in 24, go to town? Harry.
