PRITBY
Gen C. C. Howard,

Dear Friend & Bro.: Your kind
letter dated Sept. 18 has just reached
me; I hope my failure to write
sooner has not caused you any
worry; the letter had quite a time
catching up ^{with} me.

Summer vacation commenced
July 2nd and I decided that I
would have to earn at least part
of my next year's expenses; so after
securing an outfit and borrowing
a bicycle I started on a tour of the
state; for a time I was moderately
successful, and really hoped to have
considerable money to start the
year with; but then came those
storms which destroyed nearly all
the crop, and I found the farmer

202

very much discouraged, this coupled
with the political excitement made
times very hard for me; and, the
end of vacation found me (to use good
old Chrysostom's English) broke.

Just here let me thank you
most heartily for the check contained
in your letter, I am thankful to
know that you still continue to
take an interest in me; and I
trust that you may receive your
reward through Jesus Christ.

The Fall term has opened here
but I have not yet entered, I am
waiting to hear from Mr. Miller
I had some notion of going to
Bangor, Me. as there I could save
one year; but at present I am not
sure that I will be able to enter
anywhere; still I am trusting in
the Lord and know that he

will bring it out all right for, "all
things work together for good to
them that love God."

Trusting that you are being richly
blessed of God, I remain

Yours in Christ

Dear Sir:-

We have the honor to send you herewith advance sheets of an interesting article in the forthcoming number of The Century, concerning which we are inviting the opinion of a number of officers who attained high rank in the Union or Confederate Army. It would add very much to the interest of this symposium, and we should be much obliged, if you would send us your frank opinion of the correctness of the article, to the extent of from two hundred to five hundred words. We desire to print these communications in the January number of the magazine, and would therefore consider it a further favor if you would send your response as soon as may be convenient.

Hoping for your kind compliance with this request,

Respectfully yours,

The Editor.

My dear General-

I must write a line to say how glad I am for the grand work you and General Lickles and your soldier party are doing to save the credit of the nation, and the very nation itself from disaster. I follow you in the daily reports with intensest interest.

All praise to the venerable heroes of the war, who still have the power, and so ably defend the nation's honor!

Faithfully and affectionately

Yours

My Dear General Howard -
 Your letter forwarded from
 Geneva, has just reached
 me. I have read the enco-
 surer carefully and you may
 be sure that with the general pur-
 pose I sympathize entirely. Un-
 derstandings, as no one knows but
 for them yourself, are not the off-
 spring of spontaneous genera-
 tion. With the field so completely
 occupied by richly endowed
 institutions, any new corner
 must needs encounter great
 and peculiar difficulties. Never-
 theless, the scheme is worthy
 of the most serious consid-

eration, and I should be glad to do so. The
 trouble with me is that I am
 overwhelmed with ever-re-
 pressing and ever-recurring du-
 ties - domestic and professional -
 incident to a large family and
 daily newspapers. It would not
 be just to that, or an enterprise,
 for me to hold out the effec-
 tiveness of much, or indeed, of any
 personal attention. However,
 of such matters, I shall hope
 to talk with you directly. My pres-
 ent expectation is to reach
 home towards the end of the year.
 In the meantime, I shall
 not lose thought of the matter.
 Nothing will afford me greater
 satisfaction than to meet you
 individually having long known
 and esteemed you by reputation.

Sincerely,

Henry Watkinson

My dear General:-

The meeting of the Society of the Army of the Tennessee occurs on November 18th and 19th. I shall leave here on my car on the afternoon of Monday 16th at 2 P.M., and will be glad to have you accompany me.

I can take you to St. Louis, but you will have to return on the regular train, as I go from St. Louis to the West. I trust, however, that this will not inconvenience you, as I desire to have at the St. Louis meeting as full an attendance as is possible.

They will make great preparations for us.

Please respond as soon as possible, and oblige

Dear General Howard:-

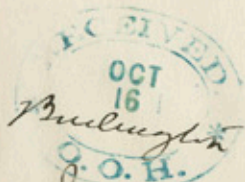

It is proposed to have a series of
Missionary Meetings at the Fourth Avenue Presbyterian Church in this
City. The pastor Dr. Davies desires to give one of the evenings to the
American Tract Society and the American Bible Society. Would your plans
for November render it possible for you to be in this City about the
13th of that month, to preside at that Meeting?

I write to you thus early, and indeed before the dates of the Meet-
ings are definitely fixed, so as to gain, if possible, your consent before
you make other engagements.

Yours most cordially,

Alex. McLean

Dear John. Will you please enquire there
Bennie is to be near Phila & would like to
see your meeting
Chauncy writes that they are going into hands
of a Receiver. Back Salary of \$4000 is due him, he says
but the Co. only owe \$400 & will pay all right —
He needs money for family so I must trim \$400
Send the \$30 you drew in N.Y. 90 to him? Harry —
