Dear Gen. Howard:-

*and  
O.O.H.*

I have just  
made application to President  
Sully of Smith College for  
myself and Mr Rogers. For a  
position which the college has  
to offer - and have taken the  
liberty as regards Mr Rogers to  
give your name as one refer-  
ence. I know that you are  
interested in both of us, and  
will be glad to help us by a  
good word when you can.  
Pres. Sully knows me already,  
as I have served the college  
at several different times, satis-  
factorily, so far as I know. But  
he has never met Mr Rogers.

As you know, we have been  
very unfortunate in money  
matters, and it is quite neces-  
sary that one or the other of us  
should do something that will  
bring in a little income.

To get something together, and  
to make a home, is what we  
would like just of all. This  
position at the College would  
seem to offer that. I will  
enclose a copy of the note I  
have just written Pres. Sledge,  
which will explain what  
the position is.

In case we are not eligible,  
will you kindly remember us  
should you hear of a posi-  
tion that either one, or the  
other, or both together, could  
fill?

We still think with pleasure  
of the pleasant visit we had  
from you and Mrs Howard  
in <sup>our</sup> pleasant summer quarters.  
We were there 'till the last  
of October, when we came  
back to our narrow quarters  
in a boarding house.

Maria is teaching in the  
Penn. School for the deaf, at  
Mt. Airy - Philadelphia. I  
hope that if you or any of  
your family go to Phila.  
while she is there, you will  
go out and see her. She  
would be delighted, and  
you would be interested in  
the work.

Frank wishes often. He is still

Dear President Sully:-

I am told  
that you are intending to  
open a house where students  
with contagious diseases may  
be taken for care and  
treatment - and that you  
are looking for a responsible  
man and wife to be at the  
head of such a house.

I will mark the conditions  
and requirements of the pro-  
position, and that you will  
consider Mr Rogers and  
myself applicants for the  
place, provided we have the  
required qualifications.

I am the Mrs Rogers who has

acted as Substitute "House  
Mother" at the Hatfield  
House, at several different  
times. As to Mr Rogers,  
I can refer you to Maj.  
Gen. C. C. Howard -

Rev. Wm. H. Fenn. and  
others equally well known.

Yours very truly  
L. Elizabeth Rogers.

Dear Sir

Yours of Oct 30<sup>th</sup> came to hand with stamps, for which please accept our thanks. I wish you would send me a memo of what state you enlisted from and what corps - if any, you served with; the Quilt is nearly filled with names - I have written Maj McKuiley but have not heard from him yet, I certainly hope he will consent to have his name on the Quilt - the old soldiers in Neb voted for him for Pres but the other fellows didn't - again thanking you I remain

My dear General Haward

When you were here - your  
kindly permission to use your  
kind influence on my behalf  
when I wanted to move -  
I desire now to ask you  
for the benefit of that  
influence - When I last  
been here 5 years - the  
time that I last permitted  
to remain - I felt for General  
Haward - same feeling -  
that it would be wise for  
me to seek a change -

My resignation was signed  
Sept 24 - and the church  
promised to pay my salary  
to the end of November.  
I have been in England  
for four months - and have  
just returned. I therefore  
now want a settlement -  
In your State - there is to  
be a vacancy in one the  
10<sup>th</sup> of April next. That  
is a long time to wait - But  
I would willingly wait - if  
I could secure the church  
St: Albans is the place  
and from what Mr MacCall  
of New Bedford - one of

PHYONIA,  
MILL RIVER, MASS.

the Ex-pastors - says of the  
Church - it is - I think - one  
that would suit me. It  
is not by any means so  
important as my old  
Church - and the Salary is  
not nearly so large - But  
as my daughters are able  
to look out for themselves  
now - I think I should  
be able to manage on the  
Salary they pay - I want a  
quiet place where a good  
work is to be done - and  
where the people could  
appreciate the best I could do.  
Mr MacCall says that S<sup>r</sup> Albans

is just that kind of a Church  
I have written to Dr. Hawes  
on the Subject - and I shall  
be glad if you will speak  
to him - I understand  
that President Brewster  
of your University - has  
great influence in S<sup>r</sup>. Albans  
and anything you can get  
him to do will have  
a far reaching effect - Will  
you seek to interest him in  
the matter? - Dr. Hawes has some  
opinions of the "Outlook" the  
"Corydonianist" - and a  
few words from Dr. Bradford  
& Dr. Thomas of Brookline  
I shall be glad to have a line  
from you - My daughter & son  
join me in kind regards  
Yours truly W. Walker Abbott

My dear General:

I am looking hopefully forward to getting one of  
of the vacancies of Brigadier General before being retired and  
find it necessary to support my record with recommendations from  
my superiors. I have from time to time done a good deal of service  
under you, and in enclosing my military record for your information  
I respectfully ask your kind approval and assistance. I mean by  
this that I desire a good strong letter from you and also your  
valuable assistance in saying a good word for me when you can to  
those who can assist me with the new administration. I will be  
pleased to receive any advice from you at any time and hope you  
will not think that I aspire to more than I deserve as among

Dear Sir,--

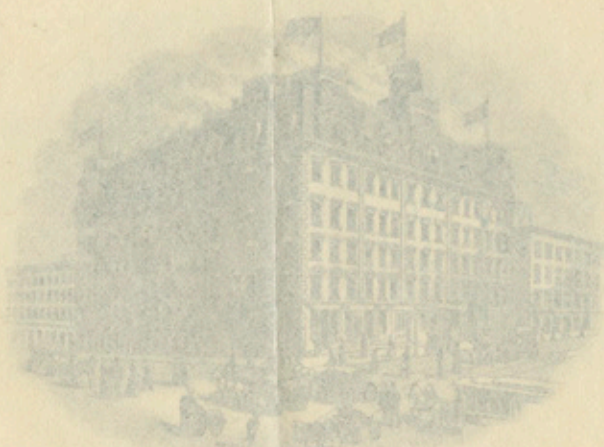

Gen. G. W. Balloch called yesterday and asked us to reserve your old rooms for you during Inauguration. The rooms that you had when last here were parlor #43 and Nos. 38 and 39. I am very sorry that I did not hear from you earlier, as these rooms have now been engaged by Major McKinley.

I will thank you to notify me when you will arrive and the number in your party and I will reserve pleasant accommodations for you. We have had more applications for accommodations during Insuguration than we have ever had before at this early date, have already had applications from more than seven hundred persons and it now looks as if we will be crowded from Feb. 20th., but we will reserve pleasant accommodations for you.
