Dear General Howard

When A (da) Smith
is presented, explanations
are generally necessary.

I may say I am
that particular individual
Smith, whom you helped
to build two school houses
in Dismal Swamp - when
we were young - and who
found you after many
years at Governor's Island,
and met your last - ~~son~~
Mrs. Crosby's cause at Lake.

Plover, three summers ago.

And here I take the liberty of reminding you that at the last meeting you suggested writing me something that would be more interesting than your military order, that I have preserved all these years.

I may premise that it is probably too late for you to do me the favor I am going to ask, - still I shall trouble you to ask it.

I am entirely out of all associations of army friends and people - when I gave about six years to the service of the "Boss" - at Lily Point, and elsewhere; - and now in the coming celebration, the old patriotism and another dearth thro' - in remembering the days of our great soldier. And I feel that I would like in some way to participate, if only in looking on. But I am eventually out of it all that I do not know how to accomplish it. Giving your name in this connection, I have detoured myself the other side - to ask if you can suggest any plan by which I can get in touch with that enthusiasm which stirs our souls in these events of a life time.

Dear Sir:-

Replying to your favor of the 15th inst. We have this day received two letters, one from the California Investment & Colonization Co., and one from their agent at Bakersfield. We judge from the way they write that these people are depending on sales of land and collections therefrom hence, we doubt if they will be able to pay in full next month, as promised.

The Bakersfield agent writes that he has paid the mortgage taxes, amounting in all to about \$250. We have written for the tax bills, and hope to get them by promising to credit the amount on account.

Land is taxed in this State on the Assessor's valuation. Mortgages must be assessed at their face value, and the mortgagee must pay the mortgage tax on the full amount of the mortgage. The land-owner must pay taxes on the balance, if any there be, over and above the mortgage and the Assessor's valuation of the land.

Under present conditions we would not advise you to foreclose, for the reason that you might have to take back land that could not be sold for the amount due you for some time to come. The cost of foreclosure would be about \$250., which the mortgagor would have to pay in case the suit was decided in your favor.

Dear D.O. Howard:

My dear General:

I received this morning the enclosed letter from Sen. Lodge -

"Senators Hear & myself after having examined your application and recommendation have endorsed your papers and handed them to the Rep. of your district in Congress Mr. Spurgeon who will present them to the President very truly
yours

Henry Cabot Lodge"

I understand that about 200 applications for Consulships were filed from Mass and there are 5 places to be filled first & last from this State. Of the 200 applications I suppose a dozen or so were endorsed and the fight for places must be between this dozen. It is expedient that we get our application before the Pres. at an earliest date and I must rely upon you, Geo. Long, and Mr. Bidlee to promote my interests with the Administration.

My application was for Consul General to Rome, Cairo or Constantinople. Cairo is the best paying place of the 3 - salary \$5000 - The Consul General there acting as diplomatic agent.

Of course if I could not secure one of these

three places I should like to get Florence
Marseilles, Lyons, or St. Gall (Switzerland)
and failing in that Naples, Palermo or Nice
the last 3 named places pay but about
\$2000. The others \$3000 to \$3500. That is
Marseilles, Lyons, St Gall, & Florence.
Then there is Minister to Ecuador which
pay \$5000. I don't know whether it is best
to try again for that or not.

You say that you have withdrawn from
the field. If that is so don't you suppose
that the President would send me to Rome,
Cairo or Constantinople, preferably Cairo, or Ecuador
on your request with Harold as Deputy
Consul? At Rome, Constantinople, Cairo, or
Lyon, or Marseilles he would get as Deputy
probably \$1000 to \$1500 a year salary. If
I got Ecuador I would take him as private
Sec. at \$1200 & pay it out of my salary. There
being no Sec of Legation there.

If I secure only Nice, Naples or Palermo
my salary would be but \$1500 & there would be
nothing for him, but he could get consular
agent at Cannes in my district if at Nice
or some other local point in one of the
3 districts I named last paying about
\$1000.

I think I ought to go to Washington as soon
as possible and that you should join me

v

Boston,

189

and we bring our forces to bear.
Of course there are Consular Agents in all
the districts I have named where Harold
could get a place if he wanted to be alone
and under my direction. I could doubtless
see him frequently.

If you are willing to go to Washington
in my interest alone or mine in connection
with Harold I will gladly pay all your
expenses of the trip.

Please let me hear from you at once
in regard to this matter as I think we
ought to move rapidly.

After we get to Washington + have a
conference together we can perhaps
best determine what place to make
our objective point.

Awaiting your reply, I am
Very Sincerely + Respectfully Yours

Dear Gen. Howard:—

I will write a short letter to tell you about Arbor Day at our school.

Yesterday afternoon we voted to see to whom we should dedicate our tree.

We had these names: Mr. Mc Kinley, Gen. Howard, Longfellow, Louisa M. Alcott, and Mozart.

The most popular

candidates were Mr Mc
Kinley and yourself.

We chose
Louisa M. Alcott because our
teacher is reading one of her
books and we all like it so
well.

We dedicated the tree
for you because you were
the most popular candidate.

This is all I can tell you
about Arbor Day.

Today is

We voted yesterday to find out
what we would name the tree.
We are going to dedicate it

received more votes than any
other. I will close my letter

April 22, 1897

Dear Gen. Howard.

To-day is Arbor Day and we are going to speak and then plant the tree.

Yesterday we voted to see what we would call our tree.

First we put Mr. Mc. Kinley's name on the board, then we put Longfellow's, then Louisa M. Alcott's, then yours, and then Mozart.

Then to-day when we came to school, teacher had written on the board the number of votes each got.

And we were all glad to see that you got the most votes.

There are forty two pupils in the school who saw you, and we all remember you

because the time generals were
here, you wanted us to sing
"America."

We were not going to
sing the last verse and then
you said "that is the best verse."

We are going to dedicate
the tree to you.

The tree is an
Ash.

I wish you could
be here to help us plant it.

Dear General Howard:-

We voted for a name of the tree which we were to plant. Nearly all the boys voted for you because they saw and heard you speak here in West Point. Following are the names of candidates we voted on: McKinley, Gen. Howard, Longfellow, Louisa Alcott, and Mozart.

Those who voted for Mozart were girls who play pieces which he composed.

I read the "Life of Gen. Lee," written by you and

668

published in Frank Leslie's
Popular Monthly.

When we opened our
exercises we sang America
because you asked us to
sing it when you was
here. We chose the straight
ash tree we could to
plant.

Well I must close now,

Yours truly,

Roland Langer

West Point Nebr.

April 23rd 1897.

Dear General Howard:—

As we thought you were very jolly and liked children we dedicated our tree to you.

Our teacher said we could vote for a great soldier, a statesman, a musician, a poet, or a prose writer.

We nominated General Howard for the great soldier, Mr McKinley for the statesman, Longfellow for the poet, and Louisa Alcott for the prose writer.

The tree was a very pretty & straight young ash, and we planted it on our school ground.

We all put in a shovel full of earth and our teacher did too, and we hope with the help of many willing hands the tree will grow and become a tall tree, and we hope that all who go there will find shade and rest under its waving branches.

Three boys were asked to get the tree and these were, Stuart Chaire, Douglas Mitcher and I.

The way that it happened that it was named for you was that Miss Crawford gave us five names and these were Mr. Mc Kinley, Gen. Howard, Longfellow, Louisa M. Alcott and Mozart, from which we selected and

General O. O. Howard,

Dear General:-

Your letter of April 22nd received. If you get an opportunity Tuesday or Tuesday night to speak to the President about my application, I wish you would do so. You might state to him that the Senators of Massachusetts have endorsed me and that Mr. Sprague, my Congressman, is going to present my name to him; also say to him that Secretary Long has spoken to him about me and is interested in my application.

I wish you would be kind enough to let me know if you do get a chance to speak to the president about me.

Yours very truly,
