My Dear Sir: I hope you will pardon me for the intrusion upon your time. Perhaps to make you better acquainted will say that when campaigning through Maine last fall you made my mother (Mrs C. F. Hudson ne Martin) a short call. I will state to you my object in this intrusion and if you would feel that you could speak a good word for me by saying or ~~writing~~ to the President when in Washington it would be very much appreciated and I should feel under obligations to you

I understand that I am to be removed as P.M. not for any neglect of duty or that any charges can be filed against me. They all claim that I have given them a model service. As you recollect I erected a new building with a fine large room, put in new boxes and went to quite a large expense, all for the convince of my patrons, which they never had before. I think I ought to finish out my term as I have worked early and late to bring my office up to what it is and it does not seem hardly right for others to step in and receive all the benefit. My office became 3rd class March 1st 1896

I received your letter of the 19th inst. and in answer
 to it I beg to say that I have no objection to
 your using the same for any purpose you may see fit
 to apply it to. I have no objection to your
 making a copy of the same for your collection. I
 have no objection to your publishing it with a fine
 copy of the same, but in such cases as
 you wish to quote a large number, or
 for the convenience of my father, which
 you may have before, I think I ought
 to finish out my time as I have worked
 hard and late to bring my affairs up
 to date - it is now in the hands of
 my father for others to step in
 and he will see to the business, my father

My commission was dated May 19th 1896 "for and during the term of four years subject to the conditions prescribed by law". They think I ought to be removed on account of time limit and perhaps of being a gold Democrat (I voted for Palmer) regardless of my commission. If it is to be a general removal I have nothing to say but I don't think it right for Hon C. A. Boutelle to single me out.

I supported the man for Legislature who through Hon C. A. Boutelle is having me removed. If there was some one to send these facts as they exist there would be no doubt but what I should remove

The first thing I noticed
 when I stepped out
 of the car was the
 smell of the sea. It was
 a salty, fresh scent that
 I had never experienced
 before. The sun was
 shining brightly, and the
 waves were crashing
 against the shore. I
 felt a sense of freedom
 and adventure. I had
 come to the beach for
 a vacation, and I was
 finally here. I took a
 deep breath and smiled.
 This was my chance to
 relax and enjoy the
 beauty of nature. I
 walked along the shore,
 feeling the sand under
 my feet and the breeze
 on my face. I had
 found my perfect spot.
 I sat down on a towel
 and watched the waves
 roll in. It was a
 peaceful and beautiful
 scene. I had come to
 the beach for a reason,
 and I was finally
 here. I was going to
 enjoy every moment of
 this vacation.

Dear Brother:-

Have been interested to see the part you have been taking in the celebration in New York. Shall be glad to have a word from you about it. Did you enjoy it? I have never participated in any great parades, I think, since the war. Have not much of a taste in that direction.

I enclose a letter just received which will explain itself. I have acknowledged it and said I would forward it to you.

I trust all are well at your house. Kitty is talking a little of making a visit to her father and mother in Bangor, though she would prefer to stay at home except that it seems a duty to visit them.

Miss Lola Rustin is at our house. We think she was rather harshly and unkindly treated at the hospital where she ^{is training to a nurse} was, and she is waiting now to get a position in another hospital where we have reason to think we can get her a place in the training school.

Dear Sir:

Having read the Advance this evening about your experiences in the war and knowing that a celebration in honor of Gen. U. S. Grant was to be in the near future, a thought came into my mind, that by sending you a relic in the shape of an envelope, which came into my possession while living at Davenport Iowa ¹⁸⁶⁴⁻¹⁸⁷² as pastor of the German Congl Church, might give you some joy, if you could send it to some one of your old comrades perhaps to your dear brother, the

President of our Home Missionary
Society, as I do not know a better
address I will send it to you in
care of "The Advance", hoping it
may reach you soonest.

As soldiers of the cross we are also
fighting ^{it} out on the line of the
gospel and we will win.

I remain yours truly

John Fred. Graf
Pastor of German Congl. Church

P. S. I am glad to think that I
became once acquainted with another
brother of yours who was an honored
pastor in Illinois while I stopped
in his house. I believe he ^{has} joined
the army above some time ago.

Entered according to Act of Congress, in the year 1868, by E. MORGAN & Co., in the Clerk's Office of the District Court for the District of Massachusetts.

Rev. John Ford. Graf
Pastor German Cong. Church
of Springfield Missouri sent
this envelope issued in
1864 - which he obtained
about that time in
Davenport Iowa - to
my brother G. H. Howard

requesting him to forward it to me
at Burlington Vermont. Received

Word from Ella to-day says she is well. She will be very much disappointed not to be here with you, as she cannot be, the way things look at present.

Anticipating now, June and your visit, I shall work better I trust.

I have tried twice to see you during the excitement of the past two days.

I am a candidate for a South American mission, under the present Administration, based on my political career for 25 years, and especially on my work in four states during the last Campaign, endorsed by Chas. Sumner and Gen. Sick of the Republican National Com.

May I ask a letter of endorsement from you addressed to the President if you consider my character, services and qualifications such as to commend me. You may recall I am a Life Member of the American Missionary

Asso., was Dean of the Harvard Law School,
succeeding John A. Cook, was Secy. of the
