I hope the name will not pass out of

My Dear Sir & Bro:-

Our Religious
Work Committee have engaged
you, through Mayor Pond, for
an address Sunday afternoon
July 4th. It is a tremendous
venture to attempt to meet the
heavy expense of a free meeting
in midsummer but we are
intending to get an audience
sufficiently large to meet
it with a collection. Our
idea is for a religious
patriotic address & we shall
endeavor to secure the

1897

attendance of G. A. R. Men Sons
of Veterans and all others
we can get to attend.

We wish to get out some nice
circulars & would like a
half tone picture of yourself
about 3 x 4 inches to place
on the circular. If you
havent anything as small
please send the next larger.

Also please give subject
of your address.

An early reply will
greatly oblige

Yours Cordially

My dear General,

Another edition of the enclosed leaflet is about to be printed and I am not sure that the initials of Mr. Alvord are correct. Will you kindly inform me upon this point?

When I had the pleasure of meeting you in N.Y. some three years ago, you said that you had it in mind to help Atlanta University at some time. Since then you have taken upon yourself the burden of assisting the C. H. M. S. and you perhaps are not through with that. Our quartet is to be in the region of Burlington in Aug. and it occurs to me

that you might perhaps help us to get up a good meeting at Burlington and give us a boom at Hotel Champlain where we have been well received two summers. Then possibly you might be able and willing to go with the quartet to some of the places in the Adirondacks. When you speak, people listen and no one in the country has the ear of good people as you have.

The Institution has had a prosperous year in every way but we shall close with a small deficit.

Dr. Luther Hall was at our Commencement and has plans for assisting us.

Yours very truly,
Thos. W. Chase.

My dear General,

You will remember that to anticipate the probable contingency of additional names to the list of the staff present to whom your original letter of acknowledgement was mailed you sent me at my suggestion two extra originals to be addressed to others whose names were to be ascertained. It seems there are needed six. I have not used them & now re-enclose one to ask if you will not have five more like it typed and signed & mailed as per enclosed addressed envelopes. These omissions have been developed by correspondence; & I have sent word to the gentlemen that they will receive a letter from you. Col. Hallett writes that he & D.^r Walker of Boston were present; & Col. Brown writes that Messrs Forrester, Forrest, Dobbs & Sussman were present. Col. Brown was about to address a circular letter to all of the staff who had accepted, and were not known to be present & on your list as present, when the sad catastrophe of the falling of his new building (reported in the press) occurred. Time will develop further omissions, if any - I have no typing facilities here or wired type the letters. Trusting you & yours are well, & wishing to be kindly remembered to your sons who are with you, remain, my dear General,

with great regard,

General:—

We are about to open a school based on military principles, in the Adirondacks. This will be in session from July 15 to Sept. 5. It is a well known fact that you never let an opportunity for doing good pass by. Here is such an opportunity. If you are at liberty, and care to come to this encampment, we shall be pleased to entertain you as long as you care to stay with us. At the same time you will secure rest and recreation. We have secured a young man of excellent principles, who has seen service in the U.S. Army, to act as Commandant of Cadets. This will leave you with no work or responsibility. Ex-President Harrison has a cottage within a few miles, and has kindly offered to visit us this summer, and give a talk to the students.

HEADQUARTERS DEPARTMENT OF THE EAST,
OFFICE OF CHIEF QUARTERMASTER,
GOVERNOR'S ISLAND, N. Y. H.,

June 14th 1897

Dear General:

Next February
Geil Weeks Quartermaster General
will be placed upon the
retired list. I am the
senior Colonel and was
such when the present incum-
bent of the office was
appointed. Naturally,
and I think properly, I feel
that I should be appointed
to succeed Geil Weeks.

I hear that several
of my juniors are actively
at work in drumming up
support to sustain their
applications for the position.
Hence I am obtaining

From friends papers relating
to my service, to be laid
before the appointing powers
when the proper time arrives

As I served on your
staff, as Chief Quartermaster
Dept. of the Platte, in 1882,
I would be greatly pleased
to have some lines from
you commendatory of my
service with you in Omaha,
if you think I deserve them.

I served in the field with
the Army at the Palomares for
over two years and received the
Credits of Major, Lt Col., Col. and Brig.
Genl for my service as an officer
of Vols. Be pleased to accept
my kind regards for Mrs. Howard
and yourself and believe me,
