CUMBERLAND GAP, TENN., Sept 27, 1897

Gen. C. C. Howard: Burlington at
Dear Brother,

Your good letter is received, and I
thank you for suggesting.

I am still hoping that the new
 hebt well find a friend in the time
of great need. And I think he is
unerringly in earnest and will do
his best to succeed. It is very pleasing
that if we can find the present need;
we can hope to go on safely as he
says. I could find the amount in small
sums, but I am doing all in my power
to find money to pay seven teachers who
expect pay every fourth saturday, and
they desire what is due. If the C. M. C
would continue this support of three teachers
I would not feel handicapped, although
I am much troubled in the loss of my
faithful companion.
I feel truly thankful to you for your great interest and assistance rendered to the mountain flock, and I feel that God will surely reward and bless you in all you do for God. I fear that the amary of making a mistake in not saying that the school shall have a majority of the trustees from the orthodox congregational church, or any other orthodox denomination. I simply mean that the school shall have a majority of the trustees. I must tell you that some of the trustees are not willing to have the school manage the estate for me, and I could amend this if I knew how. I trust the additional clause saying that the majority shall belong to the Congregational denomination, then we could safely secure inclusion. But I am perfectly willing to deed as we are now chartered by you.
Dear Mr. Hendy:

Cumberland Gap, Tenn.

I have carefully considered this whole subject and I do not fear results only in this matter of the purchase of the farm lease property. And as things now stand, I do not see how I can do otherwise than open a campaign at once and that I have done. This day and tomorrow I go to Cleveland, Ohio, to see what I can do there. And if you think that I am not to your scale and are not to your price, I would be greatly obliged if you would help me. Should you think it right to give me a general letter to see if you can help me find help to introduce myself to those who have means and who should come with me to see Mr. John Harnes. If it would be a good idea to visit him at once or any other friends. Let us trust in God. Yours truly,

Repeating to your communication of the 20th, I will say that the City of McMinnville did not levy any taxes for this year. You may doubt that the County or School Tax to pay but this is payable to the Sheriff of Yamhill County — or

Dear General,—I beg to enclose some printed matter relating to the Order of the Founders and Patriots of America, and as one of the general council, to extend to you a cordial invitation to join the Order.

The organization is steadily gathering much strength among patriotic Americans. Its officers are elected annually and provision is made that no officer shall be eligible to election successively to the same office for more than two terms.

If you will fill out the preliminary application and return to me, I will appreciate the honor of and forwarding the paper to the proper officer.

Dear General,

When you were in our city toward the close of the campaign I had the honor to meet you at the Duquesne Hotel. At that time I asked you if it were possible to secure copies of two general orders issued in the field, and you answered by saying that I should write to you about it. I have been rather slow in availing myself of your kind permission but now take the liberty to make known what I desired.

The first general order I refer to was issued by yourself after the Battle of Chancellorsville. In this order you refer to the courageous stand taken by Col. Hulbert's Brigade of which my Regiment, the 27th Pa. Vol. forgot a part, but also referred in flattering terms on the gallant behavior of Capt. Jacobson American...
An officer of the 27th but then serving on the staff of General Steinwehr.
The 2nd order was also issued by myself after the Battle of Missionary Ridge near Chattanooga Nov 25/63. In this order reference is again made to the gallant charge of the 27th up Missionary Ridge in the face of a severe fire by the enemy who was posted ahead.
Does my memory serve me right?
This last mentioned order is of special interest to me just now, as I expect with a few more of my regiment to participate in the dedication of the monuments erected by the State of Penna on the battlefields around Chattanooga to designate the position occupied by Penna commands.
If you could secure copies of these orders for me it would be a great favor indeed.
But let it be understood dear General that this favor is only asked providing it will not inconvenience you any to comply.

I have the honor to be as of old
Your humble servant

J. Adelsheimer
Late Capt. 90 A.

Dear sir and comrades,

Feeling assured you are interested in the protection of animals from cruel treatment and having had occasion to come to your city twice recently, to look after several cases, and one of them the one where some demon cut out the tongue of a horse. It has been an expense of several dollars and all the money the society has is what is contributed, and solicited by us so you see we are in need of money to
Carry on this work: no one of your city has as yet given us anything and I feel that they ought to be several people in your city that would give us a small amount of nothing more. I enclose a card for you to sign and return to me as the Treasurer. Hoping to hear from you soon I am

Respectfully Yours

Dear O. O. Howard,

Burlington, Vt.

My dear Sir:—I am very glad indeed to extend you a cordial welcome to our village in behalf of our Association, and also in behalf of all our citizens who have heard of your coming. All are pleased with the opportunity of hearing you speak.

The service is our second anniversary service and will be held in the Opera House, which we believe will be filled. We shall have a chorus on the stage and will also have a few selections by our Association Quartet. The minister will arrange their services so as not to conflict with our meeting.

The Rev. Fullerton, who we believe is a
relative if yours has expressed his desire to entertain you while here & also to have you speak at his morning service, choosing your own subject. — The Rev. Fullerton will write you.

Should your mention time of arrival, we should be pleased to have you from depot.

Thanking you heartily for the favor in agreeing to come to us so reasonably and trusting that the work for young men may be stimulated by your coming. I am

Yours very Respectfully

Dear Sir:—

We have a fund started here for the building of a soldiers monument or mausoleum, the matter so far being under the charge of Randall Post G.A.R., who now propose to add to the fund the net proceeds of a lecture course to be given during the coming winter.

We shall sell tickets in advance by subscription so our success will be assured, at least the expense account.

Being a member of the committee appointed by the Post to arrange this matter I have been approached by many of our leading citizens, and it is also my pleasure to ask if possible that you might name about some date when our people might have the pleasure of greeting you in the lecture hall, our course will probably run into January and will be first class.

We well know that your name on our list would add much strength to the course and aid us materially in our advance sale, also we are well aware that your time is in much demand, but still hope for a favorable reply, and at the same time your terms for the favor.

With much respect I am,

Very truly yours,
