Dear General:-

Inclosed is a revised proof of the Introduction. You will find the new matter interpolated very nearly at the top of galley 3. Will you kindly return the proof to me, at your convenience, with any suggestions or alterations you may see fit to make.

In the spelling of Indian names we have conformed to the orthography adopted by the Government, and the "Century Dictionary of Names." Hence, what you spell "SkoKomish" is spelled in Government literature, in the Century Dictionary, in Postoffice Guides, all maps and atlases, etc., as Snohomish. For the sake of uniformity in the volume I would like to have this spelling retained in the Introduction if you do not seriously object.

Thanking you for your kind attention, and for permission to use your photograph in the volume, I remain,

Very respectfully yours,

much will be expected from you in
Harrisburg, and no man ever yet
read his lecture in this city and
interested the people. Dr. Lyman Abbott

Dear Brother:

Thank you for your kind letter which related to Mr. Foster's case, and also to the transportation for the boys. In regard to the latter, if you made the application to Mr. Layng on your own account he may grant it as a compliment to you, but if you asked for it on my account and the paper, he will not grant it, as that road has taken the position that they will not allow any transportation to papers of our class, only allowing it to daily papers. Of course if there was no objection to Lawrence having the West Shore pass which he has had before he could return it before the end of the year, as he is to come home about the 22nd or 23rd of December. I believe he can use the West Shore pass to better advantage than Arthur can, but of course you must not send your passes in any way which will be of inconvenience to you and yours, or which will in any way incur a risk of your losing your privilege.

Now, as to Mr. Foster, you do exactly right to state just how you feel, and what you cannot do. If he has the privilege of referring to you as to his character, personal merits, etc., it will be all that he could rightfully expect. I suppose you have no objection to this.

Dear General,

Many thanks for your
kind letter of the 10th Ultimo, from
which I learned with great
pleasure that you are well.

I have to apologize yet for the
long while I allowed to elapse before
giving you any news, but I was
afraid my letters might be considered
as molestation. So I was waiting
for an opportunity to go and see you
when in town, in order to explain
and ask your pardon for a letter
Mrs M. Q. had written to you,
without my knowledge, at a time
she felt greatly distressed.

Mr Kiderli left for Europe and
I was out of position, and as no
other boarders could be found then,
she was again obliged to give up
her home. She greatly worried,
over her continual ill luck and
her despondency often caused me
much uneasiness. It was at
that time, in a moment of despair,
that she wrote you that letter
which you seem to have attributed
to different motives. Ever since
we have been waiting for an
opportunity to explain and ask
your kind indulgence, and I
assure you that our feelings
of gratitude and reverence
for you have always been
the same.

Hoping you will grant us
the favor to see you when
in town, I remain, dear
General,

Yours very respectfully

Dear Uncle Otis:

I received from
Mr. Ellis today the passes
which you secured for me
and thank you very much
for them. Father said some
weeks ago he would try to
secure transportation for

I knew of where they were
coming from.

trust you will soon be about

Dear Sir:-

We are now planning our lecture course for January, February and March and a letter from Hon. Wallace Bruce suggests that perhaps we could secure your services for one of the lectures.

We have an attendance of about 500 young people and our plan is to give them an interesting and valuable lecture course, the lectures to be delivered at intervals of about two weeks, preferably on Friday morning at 10:30. We write to ask if you could be with us some Friday in February or March. If some other day would be more convenient than Friday, possibly we could arrange it to suit your convenience, although Saturday or Monday would not be desirable days. If you can be with us please state amount of fee. We do not charge our students for attendance at the lectures, but provide it for them as a part of the College privileges. We would, therefore, wish to be as economical in the matter as possible.

Awaiting your reply, we are,

Dear Gen. Howard:-

Major Pond has been travelling with Anthony Hope for some time and is not expected back until the latter part of this week. He will be so sorry to hear of your illness.

We will not bother about any other engagements for December. I guess it is all right in regard to Harrisburg, as we have heard nothing from them. Brook Valley, N. J. has been offered Monday, January 3rd.

I enclose you some letters that have been received from the West in reply to our letters, and I would very much like to have your opinion. Mr. Palmer, who is in the West, has written that he is going to see what he can do for you. Would you care to fill some California Chautauqua dates, and what would be your terms?

Pontiac, Ill., has written to know if you would be available for their Chautauqua some time between July 23rd-Aug. 10th. Will you be available?

Yours Sincerely,
