Dear General. I am somewhat  
embarrassed in writing you again on the subject  
of the invitation extended to you by the Boyal  
Legion to be present & address them as the chief  
speaker of the evening on Abraham Lincoln. July 11<sup>th</sup>  
I appreciate, as does Capt'n Welsh, the difficulty  
in which you are placed with Major Powell liable  
to it upon the same date for some other place  
& try to your advantage. At the same time  
Capt'n Welsh who is President of the Association  
is under great pressure from the members  
to get the matter of the speaker settled so  
they may get <sup>at</sup> the advertising & the selling of  
tickets etc. It is the unanimous desire of  
the Legion that you should be the man for  
the occasion. Capt'n Welsh was under you  
at the battle of Gettysburgh & tells of the fight  
on the 3<sup>rd</sup> day in which he took part, rallying  
1500 men at a critical time in the battle &  
charging over a stone wall & driving back the  
"Johnnies". He is a great admirer of you and  
I am sure, as he is a valuable talker, as well as  
a gentleman, that you will enjoy meeting him  
& going over that & other battle scenes & incidents  
with him. He tells me he took part in 23 battles.  
If therefore there is any way in which you  
can arrange without serious loss or inconvenience  
yourself to give a definite answer it would  
be very appreciated & especially, if the answer shall  
be favorable, it will give pleasure to us all &  
the many prominent citizens of Yonkers who are  
eager to see & hear you on that occasion.  
With best wishes for health & happiness to  
you & yours  
I am very truly your O. Howard

Dear General. I am somewhat  
puzzled in writing you again on the subject  
of the invitation extended to you by the hospital  
to be present & address them on the 15th

possible, as they have told the officials  
which you are pleased with their kind  
to refer the same date for some other place  
of your advantage. At the same time  
I think you are a President of the association

Geno. v. Howard,

Dear Sir & Bro. :-

It gives me great pleasure at this time to be able to inform you that the Lord is prospering me in every respect; my financial condition is better than it has been for two years and my studies are getting on in the very best manner I could hope.

The Fall term closed in December and then we had a two weeks vacation, the rest thus afforded me was much needed and I just settled down to enjoy it; I did very little work of any kind; the recreation proved very beneficial and enabled me to start this term's work with renewed energy.

My final examinations were all passed with credit; in fact Prof. Berry<sup>2</sup> complimented me in a most flattering<sup>3</sup>

as I know that you are at the head  
of this society I decided first to consult  
you in the matter. for I know that you  
will help me and of course your  
influence would mean a great deal in  
the matter. My thought was that perhaps  
you would consider it best to apply through  
the P. G. office, and again it occurred to  
me that perhaps you would prefer to  
attend to the matter yourself rather than  
have me apply; and if you should decide  
that I apply to some of the state secretaries,  
I decided to have the boldness in view  
of your past kindnesses to ask you  
to give me a letter of recommendation, a  
copy of which I could send to the various  
ones to whom my application would go.  
I am not particular as to what state  
the work is in so long as it is work.

True it is rather early to speak 2/13

manner on my terms work; this of course is a source of great encouragement to me and gives me great hope for the future.

In about four months this term will be fast and the summer vacation with it questions as to how to make a little money will come along, so I think it well to be on the lookout for an offering; I notice that some of the boys secure positions with the missionary societies, thus enabling themselves to make a little money to help pay expenses and at the same time be in the Lord's work. I went to see Dr. Tenney on this subject today and he gave me the names of some of the secretaries of the C. W. M. S. saying that I might write them and see whether there was an offering; but

of this matter, for the term does not  
close until May, but the time will  
soon pass and I want to be ready;  
this would be a case you see of helping  
me to help myself.

Trusting that the Lord is with you  
at all times and that you may be  
used by him in the future as in the  
past. I remain

Yours in his service

My dear General:

Our Grand  
Army Post, No. 73 McPherson, is  
going to have a Fair on the 1st,  
2nd, 3rd and 4th of February to  
help raise the debt which  
now rests upon their new  
hall. The old one was burnt  
several years ago.

Your presence for  
a little time amongst those

old soldiers would gladden the  
hearts and help them much.  
If you would come down  
and give them a God speed  
and a shake of the hand.

You would do a kindness  
which would be always  
most gratefully remembered  
by them and which would  
I know, be a pleasure to  
you, as well.

I wouldn't ask you  
say a word. I do ask you  
if to come down. I'd like to

we have a chance to show  
you every honor in  
our power. The old soldiers  
here love you (down at

I have often talked to them

us under our roof.

I am so anxious to

have dared to write this letter. We are only half an hour from Boston, down in the Old Colony, half way from Boston. Trains run very often, and you could leave Boston, come to our place and let the people cheer you to the Echo and be back in Boston after an absence of only some two-three hours; this is what

you could do if you had to

My Dear Sir: I am gathering some material regard-  
-ing men and measures of anti-bellum days for use on the lec-  
-ture platform. That I may deal fairly with such I desire the  
estimate of others more conversant with those men and times  
and more capable of making a true estimate of the philosophy  
of certain acts. I ask, therefore, that you will give me your  
estimate of John Brown and his work, stating it in such a way  
as you will permit me to use in my circular.

I have attempted to secure such statements from certain  
men prominent in the Confederate service, but they fight shy of  
my request. I suppose that they do not want to commit themselves  
to any statement involving an assertion that they were wrong  
in the late strife.

You will recall that I mentioned this to you in the depot  
at Saint Paul the other day.

Sincerely Yours,

Elijah B. Jones.
