Gen. O. D. Howard, Washington, D.C.

Dear General:

The members of the Young Men’s Bible Class and their friends, most cordially invite you to address them at one of the Social Gatherings to be held during the coming Fall or Winter. Of the hundred or more men who constitute the membership of this class, some are students, others are in the various professions and many are in business. Men of distinction in the arts, in medicine, in the law, and in educational lines, have addressed these gatherings during the past two years, and we feel that an informal talk from you, with your broad experience and wide contact, would be of the greatest interest and value to young men. If agreeable, will you kindly state what month you could meet with us most conveniently? The exact date can be decided upon later.

The leader of this class is W. C. E. Hughes.
of the law firm of Carter, Hughes, and Dwight.

Your truly,

J.W. Troper

Gen. O. O. Howard
Washington, City, D.C.

Dear Sir:

I find that you acquired quite a considerable number of town lots in Oak Park Addition to the city of McMinnville, Oregon by Sheriff's Deed dated March 4, 1897, Recorded March 17, 1897, Book 34, page 107, ofhood Records. I find these same lots assessed to you for 1897 and taxes extended against same amounting to $8.85. If you will send me $10.00 I will pay your taxes for 1897 and send you a receipt therefor. If you want to see these lots and will fix a price on each lot and send to me I will do what I can to accomplish a sale. However, property is not selling very well now.

(oven)
Showed you want the title examined I would be pleased to do so for you and will make charges very reasonable. I refer you as to my responsibility to First National Bank of McMinnville. Or I was a Private of Co "B" 2nd Kansas cavalry during the Rebellion. The 2nd Kansas was commanded by W.F. Cloud Col. Any thing wanted because command me.

Yours in H. C. L.

Dear Sir,

I have just been to see Mr. Gorton and he thinks that he has offered you a splendid trade and wants me to return his letter and ask you to consider the matter further. I think that he has offered you a very good trade as the lots he offers you can amount as much or more than your own lot here (that is the one he avouched) he says that he has very little money. I asked him what he would give for the lot cash and he thinks that he cannot give more than $50.00 for it. But as his lot is not worth very much without yours I think that you have a good chance to sell it to him. Will you take anything less than the amount named $70.00 please let me know. Some I have tried and tried to sell your lots here in both or anyway but there is little moving doing in the Real Estate business as yet. I am in hopes that time will bring up this fall so that I can sell yours with a lot of lands that I have listed. If you think
that Phatus & Phatus could do better than I or if you wish to make a change I would turn the matter over to some but would be glad to close this matter up first.

Hoping to hear from you soon. I am
