My dear Sir:-

Some time ago I wrote you in regard to writing a chapter in our proposed history of the war with Spain giving an account of the religious work in the army.

At that time you were too busy to consider the matter, but as the war is now practically ended, I trust that you will be able to write the chapter as the volume would not be complete without one on the Christian work done in the army.

I trust that you will be able to write it and shall be pleased to hear from you at your earliest convenience.

Yours faithfully.

My dear Sir,  
I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the matter of the  
of the above named person's name in the above  
at that time for one the chief to consider  
the matter but as the same is now practically  
settled I trust that you will be able to settle  
the same in the coming  
I trust that you will be able to settle it  
and shall be pleased to hear from you at  
your earliest convenience.  
Yours faithfully,

Dear General:

I send enclosed herewith, by express, a package of letter heads and circulars and also a copy of the article which you prepared for The Interior on Wednesday. From this you can prepare copies for the other papers which you mentioned. I shall probably write some more of the same kind and send them to you.

I shall look for the list of names which you said you will send to me, and I hope you will get results so promptly from the fifty letters which you are to send out direct that we can make the first payment of \$2500 at Louisville on Sept. 1. When you receive this, there will be only ten days remaining for this payment.

Yesterday I saw Mr. Herbert again. He is still ready to push forward.

Very truly yours,

Cyrus Rehr

Friend Howard.- Can you not write an article at once, for the September issue of the National Printer-Journalist, with regard to the Lincoln Memorial University. You know, I donated the use of four pages to the enterprise, but I did not agree, or do not think it would be wise for me, to furnish all the matter for the same. You can make the article just as long and strong as you desire, only I am in a hurry for it and regret that I forgot to speak to you on this subject while you were here,

With kindest regards, I am,

Yours most sincerely,
