Dear General:

Early next week I shall send you a lot of new printed circulars,  
like those you had before.

Did you get a satisfactory reply from Louisville?

Mr. Fairchild has written that he will probably be here next week.

Dear Sir:

Your circular of 12<sup>th</sup> inst. at hand. In reply will say we will send you in the near future a contribution to your cherished object. Just at present other matters occupy us, but in a few weeks, our pastor, Rev. G. M. Howe, will, by request of our Sunday School, give a talk upon Lincoln at a special service at which an offering will be made for the Lincoln Memorial University. In this way we can do much more than by a mere S. S. session offering.

With many wishes for the success of your great undertaking, I am, Sir,

Respectfully Yours

My dear brother:-

Your letter has remained unanswered a long time, simply because I have been trying to send you a large check instead of a small one; but neither time nor effort has succeeded. Mrs. Butler is the only person among us who has money to give liberally.

Helen Howard  
Mrs Butler  
sent Oct.

and everybody who wants  
money for any object goes  
to her. She has given  
you \$15.00 (fifteen) dollars  
with many apologies for  
the smallness of the sum.  
I do not see my way clear  
to give more than \$25,  
(twenty five), but wish it  
were twenty-five hundred.

Unless you object I would  
rather mine would go  
from "a friend" instead of  
using my name. I do not  
know the custom in such  
matters but wish very  
much you would send  
a receipt to Mrs. Butler.  
She would think much of  
your autograph. She is

eighty three years old and  
very bright - Perhaps you  
remember her. She gave  
Rowland's picture to the ch.  
So much for business -

My children have left  
me and I am quite  
alone except for my brother.  
Ella is teaching school in

I hope you are well and  
I am sure you are busy.

Your letter and the deed received and I immediately went to see Mr. Fortune and he told me that he would close up the trade the latter part of this week. It seems as if he is a little disappointed in money matters but he feels sure that he will have the money the last of this week and I write to inform you so you will not think that there is any fraud on my part.

I will attend to the matter as soon as he pays the price. agreed upon.

Dear Sir

your circular,  
in regard to Lincoln Memo-  
rial University, received.  
The matter was presented  
to our Sunday School, of  
which I am Supt. We  
were glad to vote Five  
Dollars for your great and  
good work. Probably our  
treasurer will send check  
to the Treas. or Asst. Treas.  
of the University.

You were just in time  
to get this money from  
our "deposit collections".  
You see, we take the

282

collections the last Sunday in each month and put it aside as "deposit" money until we have \$5. to spare, when the school votes as to what shall be done with it. We had, with last Sunday's collection something over five dollars, and as there was nothing better than the cause you represent, the school with enthusiasm voted it for the Lincoln Memorial University. I think we shall be glad, always, that we could help, even a little in this work.

I hope you will meet with success, too, in soon being able to clear the debt.

Yours truly
