General O.O. Howard
Burlington Vermont
Dear Sir

Some time since you wrote to me to prepare a plat of the lots that you own in Oak Park addition to McMinnville I did so and sent the same to the person you asked me to but as yet have not heard from him. I wish you would again give me your prices on these lots on the whole and also of each lot as I have lost your prices to me.

also would you have any objections to letting some young men use some of your lots as a base ball ground during the spring and summer I think that you only own two lots in the ground that they wish to prepare. They will agree to leave the ground in as good condition when they are through with it as it is now.

Yours Very Truly
J.O. Rogers.

Please write soon.

My dear General:

For a long time Mrs. Walter &
I have been dissatisfied with the auto-
cratic policy of the Methodist Episcopal
Church. We have made up our mind
to seek an entrance into your Congre-
gational fold.

I am 32 years old: a graduate of college
& Divinity School: have had two pastorates—
Dubuque & here.

My dear Mother:

For a long time I have been thinking

about the dear old home and the friends

who have been so kind to me and my

family. I have been so happy and

comfortable here, and I have been

so much interested in the work of the

Church, that I have not had time to

write you as often as I would like to.

You know my standing in Duluth & the
Flores Church I raised the money for. They
want me to come back again at end of
my term here.

My work here has gone well. We have almost
doubled my membership in the four years.
They pay me \$4000.00.

I can refer you to these men - Congregationalists
all - who know me & my work well - by permission -

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed purchase of the land for the proposed church building. I have the honor to inform you that the same has been referred to the Board of Directors of the church, and they have decided to purchase the same for the sum of \$1000.00.

I do not wish to say that I am not in favor of the purchase, but I do not wish to say that I am in favor of it. I do not wish to say that I am not in favor of it, but I do not wish to say that I am in favor of it. I do not wish to say that I am not in favor of it, but I do not wish to say that I am in favor of it.

Maj. General O. O. Howard:

Portland Maine;

Dear General,

My answer to your question yesterday,
as to what I was doing, calls for
some little explanation, that was
unable to give you then. For several
years subsequent to 1893 I suffered
terribly from a wound on my head,
and my other army injuries, three
years ago had a surgical operation
performed on wound in head,
which has greatly relieved me.

I am now in my seventieth year
and these army disabilities make

it impossible for me to work
at any lucrative occupation

It has been my desire ~~to~~ for
the past twenty years to have
the pleasure of meeting you
again, and I should ^{say} honor, and
am very grateful that you gave
the opportunity of doing so
yesterday. I often see honor-
able mention of you in the newspapers
which gives me great pleasure

Please allow me to add I am
proud to have been one of that great
Union Army, that has made it
possible for our beloved country
to occupy the high position, among
the great nations of the Earth,
that it does today. With kind re-
gards to yourself and honored wife
I remain most respectfully

Dear Sir:-

We have at last closed up the sale to C. B. Alexander, which has been delayed so long and has caused everybody so much trouble. We inclose herewith statement of account with draft on Wells, Fargo & Co. Bank for \$1241.25.

We also inclose memorandum signed by W. E. Deacon in regard to the above sale., etc., which explains itself.

We have not yet received the water rights, which are being recorded, or have been recorded, but as soon as they are received we will forward them to you.

Deacon writes as though he would be able to pay up the balance due you within the next three or four months, or as soon as he harvests and sells his crop. We doubt, however, if he will be able to do so, as the rain fall has not been large and water is a scarce commodity in that neighborhood.

Yours truly,
