Dear Cousin:

I have not written you since I received  
your kind letter in regard to the Canton  
P. O. but I assure you that I appreciate  
them highly. The Canton P. Office  
was given to a democratic body  
through Senator Lacey's influence,  
so I was left out entirely.  
Since that time I have been making  
a living here working in the P. O.  
and running a small store.  
The Postmaster here is a Demo-  
crat and his term expires in  
September next. I shall make  
application for the appointment  
soon and I write this to ask  
you to write a letter endorsing  
me.

Dear Sir:

I have not written you since I received  
your letter in regard to the position  
of D. C. but I am sure you that I appreciate  
this highly. The position of D. C. Officer  
was given to a demonstrative body  
through greater & greater influence.  
As I was left out entirely  
since that time I have been working  
a hard day working in the D. C.  
and having a small share.  
The position here is a hard  
one and his time is spent in  
the street. I shall make  
application for the appointment  
soon and I will be sure to  
write you a letter concerning it.

me, addressed to the 4<sup>th</sup> Assh.  
P. M. General. and I see  
that Carter B. Kene of Maine  
is Chief of Appointment Division,  
and I think that, if you know  
him, that if you would write  
him a personal letter that  
it would be likely to have  
good influence.

I can get the endorsement  
of the local Republicans  
here but will have several  
opponents.

I am very anxious to get  
this appointment for I am  
hardly making a support  
now and if some one else  
gets the office I will not  
do that hereafter.

I am in good health,

Love and kind regards to  
all. Your truly John O. Edwards

Dear Sir:

You have probably received a circular letter from the receiver in the suit against the stockholders of the Northwestern Guaranty Loan Company, relative to your liability upon stock held by you in that corporation. The liability of stockholders residing outside the State of Minnesota seems to be established by numerous recent decisions in different states, and especially in a late case decided in Boston by the U. S. Circuit Court of Appeals, First Circuit, in favor of this receiver and against a stockholder of this corporation. The case referred to is HALE vs. HARDON, decided May 31, 1899, reversing a case of the same title reported in 89 Fed. Rep., 283.

Accordingly this receiver, who has already prosecuted to a successful issue an action against stockholders residing in Minnesota, is now preparing to enforce the liability against all non-resident stockholders. The litigation necessary to this end would be extremely costly to litigants in time, money and annoyance. Evidently it would be for the interest of all parties to settle the matter out of court by compromise, and this would be effected on much better terms if a considerable number of stockholders should join in a proposition to the receiver. We represent certain stock and are endeavoring to secure united action on the part of all non-resident stockholders, or as many as practicable, for the purpose of securing a favorable settlement.

Doubtless you will seek local counsel as to whether your liability can be enforced in the state where you reside. Unless you are satisfied that this can not be done, we invite you to join with others in placing your case in our hands for compromise. We will investigate it upon the books and records of the corporation, and if any possible defense is thus suggested will advise you, making only such charge therefor as shall be satisfactory to you. If we find no ground for defense, we will handle the matter with a view to compromise for a fee of ten per cent. of the difference between the amount finally accepted by the receiver and the full amount of your liability. You will incur no indebtedness to us until we have ascertained approximately what settlement can be made, and have secured your assent thereto. No settlement will be made without your express authorization.

As to our reliability we refer to Hon. Wm. Lochren, Judge U. S. Dist. Court, Minneapolis, to the Judges of our local courts, or to any bank or reputable attorney in this city.

You will readily see that if such concerted action as we have suggested is to be taken, it should be begun with all possible promptness.

Very truly yours,

My dear General:

You know all about our American soldiers, their best side and their worst. And because you know them, and have such sympathy with them at their best, you are likely to appreciate an attempt to show them in their loving loyalty, and in their truest manhood.

For years I had no thought of writing my Chaplain's story, but I found so many who wanted portions of it on record that I finally put it in book form, and I send you a copy herewith.

With pleasant memories of the bygone days  
I am, my dear General,

Dear Gen:-

Enclosed find proofs of  
pages of the folder. I have made  
what seemed necessary changes.  
It is quite a little job of composition.  
I am planning for some new  
letterheads. I don't know what to  
do about Mr. Myers. He demands  
that his name should not appear.  
Shall I leave it out of everything? Would  
you prefer that the letterhead have all  
the directors and advising board? It can  
be done but will look crowded. We can  
print a column on the left of the page  
as I have lined. I don't think it looks  
so well and the folder enclosed will  
tell the whole story. Send the corrected  
proof by enclosed envelope as I may  
be away and Thompson and Thompson are in  
our church bldg and doing some of my work  
while I am away. I shall put "University  
Print" in all <sup>minor</sup> <sup>matter</sup> papers now gotten out as

it will be by the type I have bought  
our future work. I feel that it is  
growing "hotter", as the children say  
when hunting the key, and as I look  
at the picture of the Gap and G. W. L. Co  
I sometimes fancy we are there

Yours of the  
8th Aug. at hand.  
I noticed "pedagogy"  
and marked it for  
correction on the revised  
proof. Will see that it  
is corrected on the  
new edition.

Would you like these  
folders sent you at  
the Gap? I may be  
away for a few  
days for a little rest,  
especially if you think  
as you reasonably do  
that there is no need

of both of us at the  
Gap together just  
now. As to my address,  
my office is 34 Richmond  
St. My house 58 College.  
Just now, it is better  
perhaps to send to  
the latter. Letters will reach  
me anyway. That telegram  
failed simply because of  
raw help in the office.

I see that Carnegie's address  
is, Sutherlandshire, Scotland.  
It seems to me you ought  
to be able to get at  
him somehow. I shall  
send him a few  
printed documents.

Hope and pray that  
they will catch his eye.

My dear General :-

I have your favor of August 8th and to-day the Express brought me your two subscription books but up to the present moment Mr. William H. Miller of #39 Oliver St., Boston, has not put in an appearance. I can only say with this proposition, as with the other about which you wrote me, that I could wish you were here in Boston and together we could doubtless work up an advisory board and possibly get some help such as you seem to need now more than ever.

Of course you are aware that I am tied up more than I have ever been and particularly at the present time as one of my Assistant Appraisers lies very sick at the Hospital, but still, if you were with me in this city we could talk and work together in a manner that I feel sure would be much more satisfactory than talking with a stranger like Mr. Miller who may be very excellent in every other respect but is still a stranger. I shall be very glad to see him when he calls and talk over the matter and throw in all the encouragement possible, but, as I have often told you, your personality counts in such a work at such a time very materially.

Perhaps you will find it in your power to be in Boston within a month and, if so, I should feel it wise not to try to do much until you came. No person can explain the cause you are interested in so well as its President and no person can find such ready auditors as you yourself.

I will write you after seeing Mr. Miller and if anything can be done, shall be very glad to aid in doing it.

With kind regards to yourself and family, I am,

Yours, very sincerely,

will have to be careful.

I was sorry not to be

convenient. If it isn't,  
say so & I will go
