General O.O. Howard.

Dear General Howard.

I'm talking with our Pastor, Mr. Noyes, regarding your trip to Somerville. He says if you could change the date from Oct 1st to the second Sunday in Oct. or the second Sunday in Dec. he would be very glad to have you occupy the pulpit in the morning. He says that in Dec. you would probably get a larger collection, as in Oct. according to the laws of the "Medes and the Persians," all Somerville churches must remember the Y. M. C. A. Mr. Noyes will be glad to enter.
I turn upon whenever you come and anticipate a pleasant time as he was a classmate of one of your sons.

If you prefer to come as first planned it will be all right and we will do our best.

Very cordially,

Mrs. Minnie L. Woodbery

I am informed that you are a stockholder in the Northwestern Guarantee Loan Company of Minneapolis, Minn. I represent Mr. Rawson L. Wood, of No. 21 Maiden Lane, this city, one of the stockholders of this state, and have interviewed other stockholders.

I am trying to form a pool of the stockholders to resist the expected action by the receiver to enforce the liability of the stockholders within this State. It seems to me for the best interests of everybody that a combination of this kind should be affected.

I should like to have a personal interview with you respecting this matter, and will be pleased to call upon you if you will appoint a time and place of meeting.

My dear General:

You have no doubt been notified of the meeting of the Army of the Tennessee, which is at Chicago this year on the 10th and 11th of October. This is the time that the cornerstone of the Federal Building is to be laid, and if the President goes to that ceremony he will attend our meeting with a portion of his cabinet, also President Diaz of Mexico. I trust that you will be present.

I am going from here today to the Hot Springs of Virginia, and will remain there until the meeting. I have been suffering for two months with my old troubles. I am up and out, but want to get squarely upon my feet. I am sorry I shall not start from here, so I could take you with me.

Truly and cordially yours,

My dear General:

You have on your program for the meeting of the Board of the American Legion at the Hotel Plaza in Chicago, the week of the 10th and 11th of September, a visit to the Chicago area to get acquainted with all aspects of the Legion. I am writing to be brief, and if the President does not want to hear a report, I will not try to delay the meeting.

I am hoping that you will be able to attend the convention and I will send you a report of the proceedings. I am not so sure that you want to hear about the convention, but I am willing to report if you wish.

Sincerely your sincerely,

Dear General,

I have just come from an interview with Gen. Chas. F. Roe in command of the Dewey Parade. He has assigned you to the command of the unarmed troops of the Dewey Parade, which embraces Medal of Honor men as a special escort, the Loyal Legion, and old veterans, together with the Confederates, Spanish-American and other bodies of unarmed troops that report for position. I had an interview with Gen. S. T. Pook this morning, and he made the request that the Medal of Honor men be consigned to your command and in position of your special escort. With your concurrence, we will place them in this position.

Please let me hear from you at your earliest convenience if this is entirely satisfactory to you.

Dear General,

I have your telegram this morning, and I transmitted same to Gen. Roe. Your assignment by Gen. Roe to command the division of unarmed troops, will not in my judgment embarrass anybody. Gen. Roe requested me to communicate with the Department Commander, and also with the Grand Marshals of the Four Counties of Greater N.Y., which I did, twenty-four hours after he gave me this commission, and at this meeting I stated that Gen. Howard had nothing whatever to do with the movement until after the unarmed troops had accepted the invitation, and then and there suggested that if the Commander-in-Chief and the Department Commander, desired to lead the G.A.R., that Gen. Roe had suggested that Gen. Howard be consigned to the command of the division of unarmed troops, so that from the first, you have been set right in regard to this matter.

The fact of it is General, that everything was somnolent and all right until the new Commander-in-Chief, put in an appearance. He desired to be the first man, ahead of Dewey and his Olympian crew, ahead of the Navy and ahead of every one in general. Gen. Roe declined to accede to this most emphatically.

I think it would be well, if agreeable to you, to come here and have an interview with Gen. Roe yourself. Yesterday, General Roe, said to me, "we do not propose to have Gen. Howard put in a carriage and put on exhibition. He is too lively and too vigorous, and the scheme would be too distasteful to him."

My dear General,

I have your kind note of the 21st, which I very much appreciate. Really, I have had a most delicate duty to perform, and have discharged the same in a manner which seemed to me to be quite proper and right. Taking into consideration the fact that the City of N.Y. is giving this testimonial to Admiral Dewey kindly invited the Grand Army to participate in the pageantry, it occurs to me that it is entirely unbecoming in the Commander-in-Chief to demand any place. It seems like taking the gift horse in the mouth. However, I have been patient and I am sure considerate. I have, however, been jealous of your name and position in this matter, and have, I believe, set you right in the premises.

I notified Gen. Roe this afternoon that the Medal of Honor Legion had accepted his invitation, and also accepted your invitation to march at the right of your division. I shall see Gen. Roe in the morning, and be able to communicate definitely as to the formations, etc. I submitted your telegram of the 20th and your letter of the 21st to him. I wish you personally would write a line to Gen. Tremain, and ask him if he will not act on your Staff in any capacity to which you may see fit to appoint him. Please advise me what course you pursue in this respect, and ask the General to confer with me promptly if he accepts.

With kind regards, believe me,

Yours very truly,

My dear Sir,

I have your kind note of the 8th of this month, and much appreciate the friendship you have shown in relations with your Company. May I say that the same kind spirit induced me to purchase the properties now in your possession? We have taken steps to organize a company and I am confident that we shall be successful in the business.

I am being prepared to make a visit to your city in the near future, and shall be glad to see you and discuss our plans.

Dear Gen:

I enclose you bill of lading as you requested. I did not send it C.O.D. as you requested for it required bother of you were away from Burlington. Make the check in payble to me as J.M. is now in other hands.

I shall write you to-morrow on other matters but to day I am very busy in "Mountain Herald," of which I sent you a copy, salutations.

Providence, R. I., Sept 28, 1899.

Dear Geo:

Ship you today 50 copies of "Mountain Herald," which you can liberally mark and send before you. Now I want to get that shows up at ESL so that the next issue will be gotten out in good shape. We ought to be on the ground at once. Can you not get some one who is abundant, able to advance 50? (as a loan) It can be paid out of my first year salary. The state owes us here, but I cannot collect for 3 mos. yet. I want
I put my paper in good shape before you and now that I have learned my resignation I am anxious to get there and at work. If I hear favorably from you I shall immediately order the press (I have a job press I shall donate) for the paper and shall be on my there in about two days.

Yours faithfully,

John Hale Storr

P.S. What would you like?
Providence, R.I., Sept 23, 1899.

Dear Gen:

Your letter from Boston just at hand. I had just written you at Burlington, so this letter will be somewhat of a duplicate. I sent to Burlington the bill of 1800 for folders and I have shipped these folders and papers. I send you also by next mail a few copies of "Mountain Herald" which is very much liked by all who have seen it. I think the article "Facing the Cross" will do much good. Now we must get things.
going as it is possible. The newspaper must be put in at the purchase and the setting up of same.

As soon as you can, I wish you would see if that $1,000 of Christian Herald can be put where it can be used.

I will go to the Gap at once if I can be advanced $500 for my personal use, to be accounted for in my salary during the coming year, and if I can have $500 to expend to get paper and office materials there will be one department under way and it will aid all others.

I will occupy Grant U. Lee
Hall right away and by next
"Commencement," we will
be ready for Inspection.
Of course I mean to put
$5,000 into the Printing Dept.
yet, but wish what I
have and the rest from
the paper we will be able
to live and run our
apparatus. Ask our friends to get
every subscriber for the Herald
they can. Offer young people
for $25 to get up a list of
those who will help. I don't doubt but
the Herald can be made
self-supporting in a
year of pushy activity.

While I would like the
Mother House, I don't believe
in wasting for it. Let us get
right with the $7,400 and
I will use student help largely for repairs. Please write me if you cannot carry the points mentioned. I will secure the amount advanced me if that is any help. What I have is in my office and my M. H. residence.

Mr. Blanchard's note was put in paper some time since I have it also in the "Herald." Hoping to hear from you soon I am,

Major General O. O. Howard,

My dear General,

I went to Boston yesterday and tried to find you to get your signature as president of the C. H. M. S. to enclosed document. Failing to find you, I write this letter and ask if you will sign at the place indicated just above the word 'President' and return in the envelope herewith enclosed at your earliest possible convenience.

The story about this transaction is a simple one, namely, our greatly beloved former treasurer, Dr. Clapp, was in poor health the last years of his life, and in some unaccountable way lost the check which this document refers to. These facts are recited on the enclosed sheet, which explains all that is necessary to say about it. Dr. Clapp put the money into the treasury out of his own purse, and now as his administrator I am seeking to get it from the Pennsylvania Railroad Company so as to give it to his widow.

I hope you are in good health, and with great love, I am,

Very sincerely yours,
