Gen. O. O. Howard,

Dear Bro:

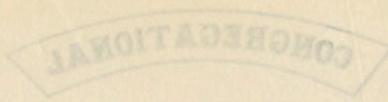

You are announced to speak here in Lincoln on the Assembly grounds Aug. 7th ^{in the afternoon.} I am very anxious to have you speak to our Christian Endeavorers in Lincoln on the evening of that day. I want to get them stirred up to do something towards paying the debt of the H.M. Society. We have four English-speaking Congregational churches in the city with their endeavor societies and could give you a good audience at the First Church. Of course, it would be a missionary affair entirely, - no money in it; but I believe you could do much good. Rev. Dr. Bullock was in ^{now} just to speak about the matter and the society of our Vine St. Church is ready to take the matter up at once if you will consent to speak. If you can do so will you please wire me at my expense upon receipt of this. Hoping to see you when you are here and that you can do this service for us,

Gen O. O. Howard

I am the man who saw you at the Aragon Hotel Atlanta and showed you a statement in writing from Major Smyth Postmaster at Atlanta. Gen Grant in person as stated in Major Smyth's Certificate employed me on the 2nd of May 1864 in the secret service to go in the commiss lines and work in the interest of the Army of the Potomac. At great risk and suffering I went and tried to do my duty. To show that Gen Grant appreciated my services & risks. He gave me \$500.00 6 years after the war ended. I am 64 years old with a wife and child 5 years. My health is very bad.

Gen if you have any charitable funds on hand please send me a Trifle in money as I am unable bodily to work any more. Please try and get the Grand Army of your Town also to do something for me. Had I enlisted I could now draw a pension but I never enlisted. Major W. H. Smyth Postmaster at Atlanta and Col J. P. Aurvill both of the Grand Army will both testify to the truthfulness of my statement. Do what you can for me. Gen Shaw Commander in Chief of the Grand Army gave me \$10.00 while in Atlanta.

Dear Gen.:-

I am stopping over a day in my old home in Maine, while enroute for New Glasgow N.S. where I am to speak next Sunday. I am to be in Keene, N.H. Aug 12 but I see you are to be in N.H. about the same time. I am generally told that Sept. and later will be the better time to make appeals. If I can get things at the Gap running well, I will try the field some for you - might not feel the whole burden. Whether I can get out some depends on the kind of a man I can get there. I must check some one down I realize, but I am holding off in hopes of getting the Assoc. in time for Rev Geo. M. Colburn. Fanchild will write of him to you. Over

Paper is getting scarce, hence excuse the
back of this. I got a \$50. Scholarship
in Boston of Horace S. Sears. He
will remit you. I also got 25.00
toward Mount-Liz expenses, i.e. getting
rooms ready. We need 450. in
decks, but one of the agency money I
shall take from Prov. will be able
to make them throughout with
student help. run work and all.
This will be a great card. I really
think we can make something in

give details later. Hope you enjoyed

Gen O.O. Howard,

Dear Comrade & Brother.

I understand that you have been approached with reference to allowing your name to be used as a candidate for Member of Congress from this district.

It may not be congenial to your tastes; and you may have other duties far more agreeable and pressing, -yet if you can consent to permit your name to be so used, it would be a relief to many men who will not vote for the present nominee.

I cannot say what the prospect would be of an election, but there are hundreds of men, and perhaps many thousands, who would be very glad to vote for you, -the writer among that number.

You will take it to the Lord, and from Him receive guidance in this matter, therefore I can say no more than I have said.

My dear General:--

I am in receipt of a letter dated July 21st., from a Mr. William Lewis, of Mills Hotel, New York, stating that some time during the month of March last, a pair of gold-plated spurs, together with some newspaper cuttings and a letter was left at my office 156 Fifth Avenue, New York, for you; wanting to know what I knew about them, stating that you had not received them.

This is the first intimation that I have ever had of any such articles being delivered there, and I assure you that had I received them for you, they would have been delivered to you at Burlington, without delay.

I have written Mr. Lewis to this effect. It is quite possible that he may have left them in some other room, instead of room 19. I vacated there April 1st. of this year, and have since made a connection with the above paper.

It has been my intention for some time to write you a letter, asking when I could see you here in Philadelphia, as I know you come here frequently. When do you expect to be here, and will you be kind enough to call and see me, or advise me where I may call and see you. We are living at Atlantic City for the Summer, and should be more than delighted to have you as our

Dear Sir:--

We are now making our arrangements for a lecture course to be given this coming fall and winter, under the auspices of the Irving Park Chapter of the Epworth League, Chicago, Illinois. Our church auditorium has a seating capacity of about two hundred and fifty, and yet we desire to secure the best talent available. We expect to sell course tickets at One dollar each, and can guarantee the sale of all tickets in advance.

We should like to make arrangements with you for one of these lectures and desire that you would let us know your best terms, and most convenient date.

Trusting that you will see your way clear to favor us, although we are but a comparatively small church, I remain,

Yours respectfully,

Charles O. Loucks
