Dear Mr. Kehr:

This morning I was disappointed in hearing from Mr. Eager that he had negotiated and settled with you without getting your resignation as a preliminary. I hope you will tender your resignation, dating it the same day as the settlement, for I do not wish the precedent of thus dealing with a Trustee. You will understand this. For some other reasons it is important that we have your resignation, as I will explain when I see you. By and by, if the trustees as desire, they can restore you to the Board, but by all means help us now by retiring. If you do so, I will help take up your notes just as quickly as I can raise sufficient money.

I send a copy of this letter to Mr. Eager, who will see to its proper acceptance. The executive Committee have sufficient authority vested in it to accept your resignation.

Very truly yours,

Gen. O. O. Howard:-

New York City:-

Dear Sir & Bro:-

You may deem our writing you, the taking of an unwarranted liberty, - but when you shall have thoroughly understood the motives underlying our request of you - we feel assured you will pardon the act.

We are arranging for a series of 20 free addresses, concerts etc. for the Men of our city - commencing Nov 27<sup>th</sup> continuing until April.. We have but one purpose in this special endeavor, and that is to Benefit Men Spiritually, by the implanting within their formative minds, high & noble ideals..

It was my personal pleasure & well as profit to hear you address the Soldier Boys at Camp Alger - I having been a member of the 12<sup>th</sup> Penn<sup>a</sup> Vol. Regiment at that time, & I can assure you that your talk made a deep impression upon me. It was at a time that men needed inspiration & courage to keep stem the terrible tide of evil that environed our Camp life.

Gen. I write you asking whether it is possible for you to come to Danville and give our men a talk also some practical line of thought of your own selection.

We have a beautiful little city - <sup>&</sup> our y.m.c.a. Building is, <sup>a</sup> fine large stone structure - modern in both architecture <sup>&</sup> facility. Should you come we will guarantee you a rousing reception, - a large and enthusiastic audience of men <sup>&</sup> the lasting gratified of the men of Danville. Penn?

As these are to be free of admission - it is not possible to offer any remuneration for services rendered - except every expense incident to the trip.

General we fully appreciate that this invitation does not savor of any great magnanimity - but then we are confident that you thoroughly realize under just what conditions y.m.c.a. work must be carried on.

We will cite several dates, any one of which will greatly facilitate our plans, if you can select it.

Thursday Evening - Jan 15, 1901 - Tuesday Evening - Jan 22 - 1901 -  
Tuesday Evening - Feb. 5, 1901 - Friday Evening - Feb. 22 - 1901. <sup>Washington Penn</sup>  
Tuesday Evening - Mar 5, 1901 - Tuesday Evening - April 2 - 1901.

A reply by Nov. 21. would also assist us - as we desire to issue our printed Prospectus by that date.

Feeling assured you share our deep solicitude for men, <sup>&</sup> awaiting with much expectancy - your reply - I am sir -

Yours most respectfully

Dear General,

Your esteemed favor  
of 14<sup>th</sup> is at hand. Faithfully as I remember.  
Your last report as Commissioner of  
the Bureau ought to show the amount  
owed in to the Treasury. I have not  
that report. Haven't you a duplicate?  
I have a copy (or rather May has) of my  
letter and will gladly write it out  
in the album of which I have heard  
so much. Le Duc was here a few  
days since on his way to California

him as ever. I hope the proceedings of

be here on the 12<sup>th</sup> of Dec and  
make my home yours. Miles  
wrote a nice letter, didn't he?  
I tell you dear old friend, things  
are "evening up" as the saying is.  
Our political triumph is just glorious,  
and the dear old stary flag is  
still in the van of the procession

You have probably been notified, via this, that

I have been thinking of writing you to ask if  
you could make any suggestions in regard to the

one in this western part of Penna. that it  
would seem best for me to see. And I now  
wish to ask if you could give me a letter

My Dear Gen. Howard:-

I should have written sooner, but election affairs were so uncertain in this district that it was difficult to say what the result would be. But now it is certain that I have been defeated by a small majority. Grand, however is charged in Platte Co. and some of my friends have desired that I contest the election, but there is so little to be gained by this and such small chance of winning in the Pop. courts that I have refused. I ran about three hundred ahead of the ticket, being defeated by about two hundred in Platte Co while the rest of the ticket was five-hundred behind. In Hamre Co., (Tullerton is in Hamre) I ~~was~~ ran well carrying the county by over one-hundred. I feel satisfied & happy knowing that I have made a good run, found some new friends and had some

valuable experience.

Now let me most heartily congratulate you on your seventieth birthday. After seeing the campaign work you accomplished this summer & fall, I feel certain that you are still to be classed among the "young fellows" and I pray that the Ind may long keep you in this rank to continue the good works you are promoting in this manner.

O! I almost forget! Hurrah for Nebraska! Are you not glad you had the privilege of helping us back into the fold? It was a wonderful conversion, wasn't it?

Wishing you health & strength to carry on your great work, I remain,

Yours truly

156 College St.  
Burlington, Vermont -

Dear Sir.

I am writing you again.  
We got word last night - how  
my Dear Brother was killed.  
It seems so sad to think  
he went out there never to  
return.

You asked me if I could  
give date of his leaving  
San Francisco?

Well I wrote you by return  
mail and answered every  
thing except that.

We did not know until  
last night when he went.  
It was the 14<sup>th</sup> of November 1899.  
You never answered my last  
letter for some cause.

Johnston Nov 7 1900

My dear Mr. Johnston

I have just received your letter

of the 1st inst.

and am very glad to hear from you

and that you are still in the

land of the living.

I am sure you will find it

very interesting.

I am sure you will find it

I am sure you will find it

Kind Sir, If you can do  
anything for us in the  
way of sending my Bro's  
body home, God only knows  
how thankfull we would  
be.

We have found his grave  
in ~~San~~ Francisco. At first  
they told my Cousin that went  
to see <sup>about it</sup> that - he was not there.  
and then when he went back  
again they said that - they  
had now looked his name  
& number in the books.

We have also found that -  
his trunk only reached San  
Francisco about - 3 weeks  
ago.

The Shipper told my Cousin  
that they were going to ship  
the body same day as trunk  
as far as Niagara at there

we expect  
the trunk in

expense and we was  
to look after it - from there.  
We are about 40 miles north  
of Toronto Ont.

We are all, almost  
heart-broken over it.

Try if possible to help  
us in getting the body.  
If you can cause your  
influence in any way  
we will be so glad.

Your Private Sec. answered  
my last letter as you were  
away. I believe he is a son  
of your own <sup>sons</sup>. Has he ever  
got the body of his dear  
Brother yet?

As I said before, I wrote  
you because I believe  
you to be a man of  
God.

Trusting to hear  
from you soon

P.S. If they won't send him  
all the way to Niagara at these  
prices what would be the least  
cost he could be got for. The man  
that wrote us John Manilla said  
they expected his Mother could have  
him sent where she asked.

My dear General Howard:

I appreciated highly your  
compliment in suggesting my at-  
tendance at the Bazaar. It was  
an event. & it struck me as par-  
ticularly so, not merely in showing the  
Country's appreciation of your services,  
but especially in its accentuation, <sup>I think</sup>  
tho<sup>some</sup> men not specially religious, of  
that high moral and evangelical  
idealism which has characterized your  
whole public as well as private life.  
You will pardon my sending you a  
little tribute I felt I could not help  
giving to one Ch<sup>r</sup> Intelligencer. Mrs. Norton

Dear Sir:-

Enclosed find proofs of poem which will appear in "Lure" and also of a card planned for distribution in an envelope. I expect to see you in a few days as I go north on a short trip. I want to see you about valuable concessions, I have obtained from Harrogate Land Co. I refer to water rights and rights of way for water pipes. I have had three springs analyzed by Mr. Perkins, Chief Chemist of the Dyar Trust who contributes his services gladly. The one we pump from is really unfit for drinking purposes. The "Harrogate Spring" is the best but they have been shy and suggested through an agent that they expected to get a royalty for their water. I have made the acquaintance of Mr. Underwood, the Chief Agt. of the Harrogate Co., and we get all rights free now. When I see you I will detail plans for a change of water supply. The chief cost will be student labor.

Will you please have some money for my personal use when I get in N.Y.? I have bills that are pressing and I have let my salary lie a long time now. All would be remembered by you.

Yours fraternally,  
John Hale Larry.

Dear Sir -  
 I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed exchange of the Chief of the Department of the Interior for the Chief of the Department of the Treasury. I have the honor to inform you that the same has been referred to the proper authorities for their consideration. I am, Sir, very respectfully,

Major Gen. O. O. Howard, U. S. A.,

My dear General,

Under the provisions of the recent Naval Appropriation bill, retired officers may be ordered to active duty and under the provisions of 1225 Revised Statutes, naval officers may be ordered to duty at colleges.

At the Annual Meeting of our Board of Trustees, the Vice-president was authorized to apply for me to be ordered here for duty and he is about to do so. I am also applying for the same orders under the provisions of the appropriation bill and I am writing to Senator Proctor to ask him if he will take charge of this matter and endeavor to have the orders issued.

This measure is not being taken for my own pecuniary benefit, inasmuch as if the orders are issued, I shall turn over to the University, the increased pay that will be received by me; that is to say, I should take that much less on my salary from the University. In other words, the result of these orders would be to increase the income of the University by several hundred dollars, thus enabling us to do our work

better, in the possible employment of another instructor,  
as also in the purchase of much needed apparatus.

It has occurred to me, that your influence as a  
Member of the Board of Trustees will be of a good  
deal of weight with Senator Proctor and the Department.  
and I will be very much obliged if you will write  
the Senator on this subject so as to reach him in

My Dear General:

Mrs. Pierce has been with us since last Spring. She & Olive & the Aunts stayed with Mrs. Waters while I went abroad this Summer. We have all thought & talked so much of you during these last weeks when the eyes of all men have been on you with pride & affection. Mrs. Pierce has retold to us the story of your Calvary & we have all been more than glad-we have been grateful to God-for this universal recognition of your worth & heroic service.

I am glad that you have lived to see your just fame. And while it will wax as the newer generations come I am rejoiced that you were yet with us to pluck its early blossoms. May God bless you even more abundantly, my dear General, is the wish & prayer of this household; and we all love you.

May I tell you that we are so very happy in our life & work here in this church. I have been born anew in the free brotherly atmosphere of the Congregational fellowship. I am grateful for the honor of serving this grand church & God is being good to us in our work.

Our Susquehanna Association meets in our church the last week in February-last full week. I am planning a programme to consist wholly of Missionary information & motives. One day will be given to Home Missions-it will be the anniversary of the society for all the central part of this state. Our church is especially inviting the churches. There will be a great company out of all this territory. Congregationalism needs enheartening & we mean to make this gathering memorable. One or two of the Brooklyn pastors will be with us. Now, General, we all want you so much for the Home Missionary day. I wonder if we could not arrange with you to give one of your lectures in the church the day before. We have long wanted you for a lecture & maybe at this time we could "kill two birds with one stone". It means an inspiration for 1200 discouraged Missionary people-if you can come.

Please be assured of our love. May I hear from you at your convenience? Yours with respect,

Mrs. Waters.
