Mount Holly  
New Jersey

Dear Chas. O.:

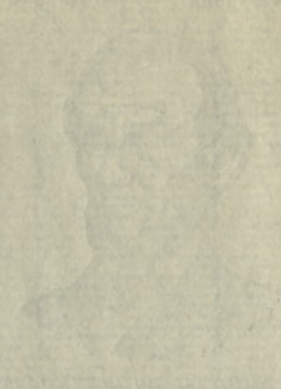

The month is drawing to a close.  
How much over & above your office expenses  
have you made? And on what do you  
base a hope of success in your business?

If there is a reasonable prospect of  
success, I shall let you have \$100 each month.  
Kindly begin now & send me your note for  
the amount <sup>i.e.</sup> (without interest for \$100). I  
can continue this for five months, but shall  
not be able to do so any longer. These  
notes, like those of Jamie (for which he pays  
the interest) can be used in family settlements  
hereafter. The reason I can so keep you  
now is that I had some money come in  
from the sale of California land. These five  
notes will exhaust sum.  
With love from all to all. Affectionately Yours  
Father O. O. Howard

Managing-Director L.M.U.,

New York City.

Dear General:

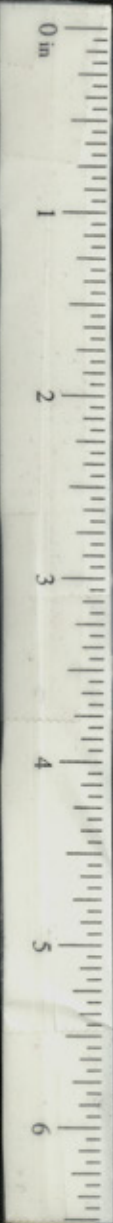

My health seems to be so badly shattered that I will have to stay here some little time and some of my best friends advise me to go to Cuba or Porto Rico during the winter and spring months. I cannot therefore raise money nor serve on the Executive Committee; for this and other personal reasons I again tender you my resignation as a member of the Board of Trustees, and insist on an acceptance at once.

With a prayer and a hope for the best interests of the institution where I have so long worked, I hereby tender you my resignation to take effect permanently.

Yours truly,

That year at Col Huse I overstudied.

Dear Sir and Friend,

I have the honor to state that  
I was discharged from Garfield

months old injuries, last Saturday,

I will fight as my people have  
for centuries, I would do better <sup>much</sup>  
better work as a sanitarian in saving

at N.O. in 1862 and my three years with Col.

My dear General:-

It pains me  
to report to you the death of  
Mr. Lida Crossher, the valuable  
farm worker who occupied  
the tenement at the barn.  
He had double pneumonia  
and complications. We  
are having a great deal of  
sickness now and find it  
almost impossible to get a  
physician when we want one.

If you know of some young  
physician who would like  
to build up a practice, one  
who has any missionary spirit,  
send him down here. I consider  
this country healthful however,  
especially when you get  
acclimated and know how  
to care for yourself. The small  
pox is raging on both sides of us  
but I hope to quarantine the school  
in a way and escape that. Will  
write again today. Yrs. fraternally, John Hale Larry.

My oldest boy, a lad sixteen, is greatly inclined to a military education at West Point. I take the liberty of writing to ask you what your counsel would be. He is a Christian lad, vigorous, manly fellow, and of rather exceptional physical development and strength. He is an average student. Would it be asking too much to request you to drop me a note in the enclosed envelope for your advice in the matter would have very great weight both with my son and his father. Is a pull necessary in order to get in or are the boys appointed on their real merit?

Thursday Jan. 31<sup>st</sup> 1901-

Dear General -

Yours of the 17<sup>th</sup> Inst.  
was duly received by Mr. Blanchard  
who desires me to thank you  
for the same. I received a letter  
from Mrs. Grandin on Saturday  
the seventeenth informing me  
Mr. Blanchard was really quite  
lonely, and if I could be spared  
by Mabel perhaps I would prefer  
to come home and be with my  
husband - Then finally she told  
me he had quite a severe attack

of his chest trouble and they had  
brought him to this house. I  
left the next day Sunday at 9.30  
reaching here Tuesday P.M.  
found Mr. Blanchard in bed  
by the orders of his physician  
who after examining his heart and  
finding it in a bad condition  
said he could not answer for  
the consequences unless he gave him-  
self up to perfect and entire rest,  
freedom from all outside cares. He  
says further he must give up all  
outside matters, and favor himself  
all he can. He has overworked  
his system, consequently outworn

his heart. He is not allowed  
to see any one outside of the  
family here, save Nelson his  
office messenger, who comes  
daily with the mail - and  
attends to any matters Mr. B.  
desires. He only remains a few  
minutes and does not weary Mr.  
B. The Dr. said yesterday he found  
his heart a great deal better than  
when he was called to him. So much  
now depends on rest and quiet. I  
had hoped we could return to our  
own home this week - but the Dr.  
says not quite yet. All here are  
so good and kind to us and make

us feel so comfortable. Mr. B. has  
been sweetly patient and resigned.  
He sits up in bed and reads the  
papers, and finds great entertainment  
in the scene viewed from his bed  
as his room overlooks the Charles  
River and the Fenway - decidedly  
more picturesque than the view of  
140 Cornhill St. His room is in the  
lower, over the one you occupy.  
Mr. B. is glad to learn the indisposition  
of L. M. University has been cancelled,  
and now the road is clear for work on  
the endowment only. He sends kindest  
<sup>regards</sup> to you and your family, and wishes  
great success for Lincoln night - at Cambridge  
Hall. With kindest regards from  
myself - Sincerely yours. Susan E. Blanchard

and glad to have you all but  
but I am left a little longer  
to do a work - urge all to come  
to Christ - like my constant body

on for Christ - I've lost my  
arm - I have lost my - health  
and limbs - all material -  
the drugs of Paine's Turkey through  
my lister - but I thank God  
we have our Christian's disposition  
to urge all to - come to Jesus

I am bound to - march on living  
my master - faithfully - I want  
a medal from God - There  
was a soldier - a short one  
who done his whole duty -  
with the Bible as Ensign -  
on one side - with Jesus on  
the cross - Opposite - Signed  
by our dear good Lord -  
and wearing Jesus Christ -  
just received on Postal Card -

INTERNATIONAL  
YOUNG MEN'S CHRISTIAN ASSOCIATION TRAINING SCHOOL  
SPRINGFIELD, MASSACHUSETTS

Springfield, Mass., Jan. 31, 1901.

Gen. O. O. Howard,

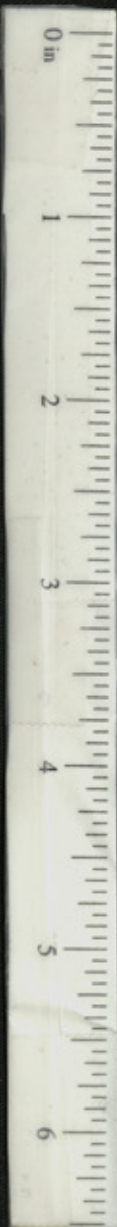

Burlington, Vt.

Dear Gen. Howard:-

The International Young Men's Christian Association Training School has entered upon its sixteenth year with very bright prospects. As the demand for School trained men increases, the attendance at the School also increases, and this year we have one of the best student bodies we have ever had. Of the thirty men admitted to the entering class, three are college men, seventeen high school men, and of the remaining ten nearly all have had practical experience in Association work.

This year while it promises in many ways to be the most successful in the history of the institution, also promises to be the hardest. For sixteen years, or from the time the institution was started, it has been obliged to secure year by year the amount needed to meet its current expenses. At the same time it has been necessary to obtain an adequate equipment to carry on its work. This has been done, and now with a property costing over \$100,000, a three years course of study carefully worked out, a faculty of experts, and an assured body of students, the time has come when the School must secure at least a partial endowment fund. The effort has been started and contemplates the securing of \$200,000, at least \$100,000 of which must be pledged

by next September. \$37,500 has already been secured toward this amount, leaving \$62,500 still to obtain. Of the amount already pledged, \$1,100 has been offered by the students now at the School, many of whom are working their way through.

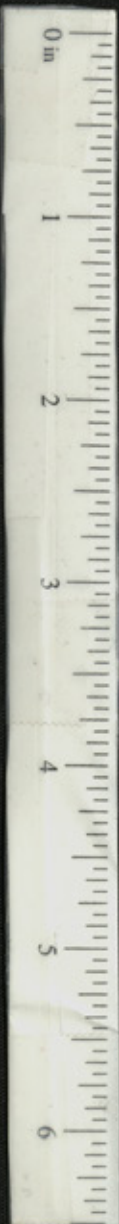

In addition to this effort, the current budget for the year must be met. \$19,500 will be required for this purpose. We are making every effort to get as much as possible of this amount pledged before March 13, the date of the Spring meeting of the School's Trustees, thus leaving the balance of the year free to push for endowment. \$8,950 has been secured since the middle of September toward the current budget, leaving \$10,550 still to obtain. Under this extreme pressure would you be willing for this year to contribute \$25 towards the School's expenses, making the amount payable at any time between now and next September?

Trusting you will be led to help us at this time, believe me.

Very respectfully yours,

*H. H. Rogers*

# Lincoln's Birthday Celebration

FOR THE BENEFIT OF THE

Lincoln Memorial University

CARNEGIE HALL

FEBRUARY ELEVENTH, 1901, at 8.15 P. M.

NEW YORK, Jan. 31st, 1901

Mr. Chas. F. Eager,

Cumberland Gap, Tenn.

Dear Mr. Eager:

Enclosed please find my check for One Thousand (\$1000) Dollars drawn on the National Broadway Bank of this City, L. M. U. account. Of course you will make it go as far as you can. Mr. Kehr has disposed of one of his notes, selling it for Twenty-five dollars discount. Mr. Herbert says that he felt sore at the necessity of sacrifice. He met him in Chicago where he is attending a Court case.

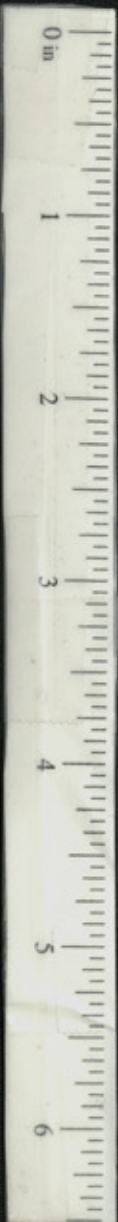

We are progressing as fast as we can with the celebration at Carnegie Hall, and I am in hopes we will make a fair success of it. At any rate enough tickets have been disposed of already to cover expenses. We shall not make very much but I am looking to the fame of the celebration to help us out.

With regard to your confidential matters I will speak of them in another letter. Mr. Fairchild, after of an absence of ten days has just come in and is reading your letters and others which he has received.

Yours truly,

O. O. Howard  
Managing-Director L.M.U.
