

82 Jefferson Ave

My Dear General.

You are in a better  
position to inquire  
into the condition of  
The Hartford Life Ins Co  
than I am & I wish  
to suggest that you do  
so & with your permission  
I will suggest the reason.  
You will have noted that  
our expenditures are con-  
tinually increasing.  
They tell us this is  
because they have  
gone back to the  
old level policy plan.

439

I fear this will not help  
us or save the company.

I see by the report of  
the Com. Inspectors  
that there has been a  
slump of \$11,000,000 in  
two years 1898-1900 in our  
branch. In other words  
if I understand it  
that amount of policies

have lapsed & it is  
reasonable to suppose  
that it is the younger  
policy holders who  
have drawn out.  
There were last year  
7400 in our branch  
insured for \$74,000,000 for

which the company  
holds a reserve of only

one million & a half.  
What I want to know  
is, whether we have  
any claim on their  
old line reserve or  
whether their increased  
insurance in what  
I think they call their  
mechanical branch,  
A brown man's hair  
cents a month insurance  
does us any good?  
The question is whether  
we had not better  
stop right now &  
save our increasing  
quarterly payments.

Sincerely Yours  
Thomas McEnnam

Dear Sir. N. Y.

I have become very much  
interested in your work at  
Cumberland Gap. as presented by  
our old time friend, John Hale Ransom.  
who has been with us at times /  
during his stay at North.

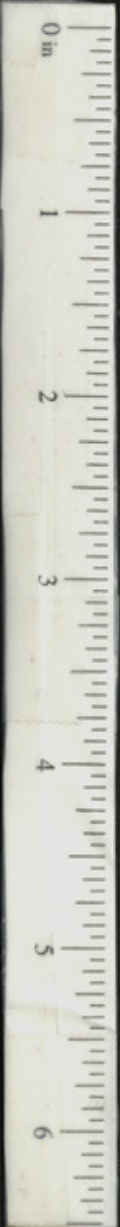

Mr Larr's unique and original  
methods of teaching have long ex-  
cited our admiration and respect -  
and this work does seem to be pe-  
culiarly his.

I am interested more es-  
pecially in the girls. and in the  
project of the building for them.

Mr Larr's scheme for the  
one hundred memorial rooms -  
struck me as a work that should  
commence itself to the women  
of Massachusetts! or any state - for  
that matter.

Dear Sir,

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above named matter.

I have the honor to inform you that the same has been forwarded to the proper authorities for their consideration.

I am, Sir, very respectfully,  
Your obedient servant,  
J. M. [Name]

and I feel interested enough  
to see what I can do.

I am a member of the Medford  
women's club. and that club and every  
other one in the state almost has  
a social service committee. and I  
am to present this work to them and  
see what can be done.

This does not mean that I shall  
not ~~work~~ otherwise. but I do de-  
sire to have this a women's work.

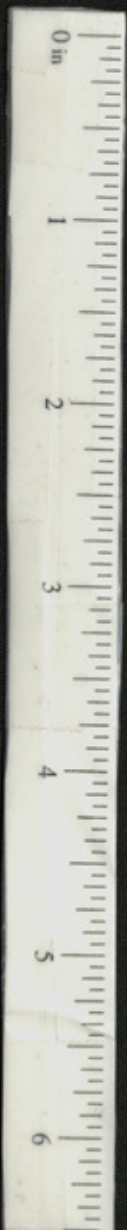

My daughter, who is an old pupil  
of Prof. Lamy's & Mrs Robert E. Harris.  
will give a reception at her home.  
to which I learn you have kindly  
consented to be present, and that  
will be followed by others. with I  
hope good results.

Some other pupils of Prof. Lamy  
are about us and we all unite  
in the desire to help along the work.

I am a busy woman and all  
the time spent in this work must  
necessarily be taken from other  
work. but I see a good many

people and the same things it-  
might be written while to make  
it something of an object - to me.  
particularly as he desired that  
I should come down to the

a department in the art of

not be inaugurated. that I  
should furnish a teacher &  
raise the money to pay the  
expenses, all of which I am  
more than delighted to do.  
provided you think well of  
it.

I shall see you on your visit  
to Boston, and can then more  
fully explain my plan of work.

Dear Gen. Howard:-

Your favor 13th. is at hand.

I wish I could respond with a check but I can only give such as I have.

Now you will doubtless be here at the Jubilee Meeting of the Home Missionary Society in May. Can you not be at our church the following, Sunday (May 19th) and speak in the evening?

I am quite sure a large audience would gather and we would take up a collection for your University. Your good friend Mr. Blanchard has gone to wait for you in the Home above. I hope you remember my little home at 41 Dana St., Cambridge, and my good wife and daughter.

They gratefully remember your little visit. My daughter will always be glad that she was able to give you some little attention.

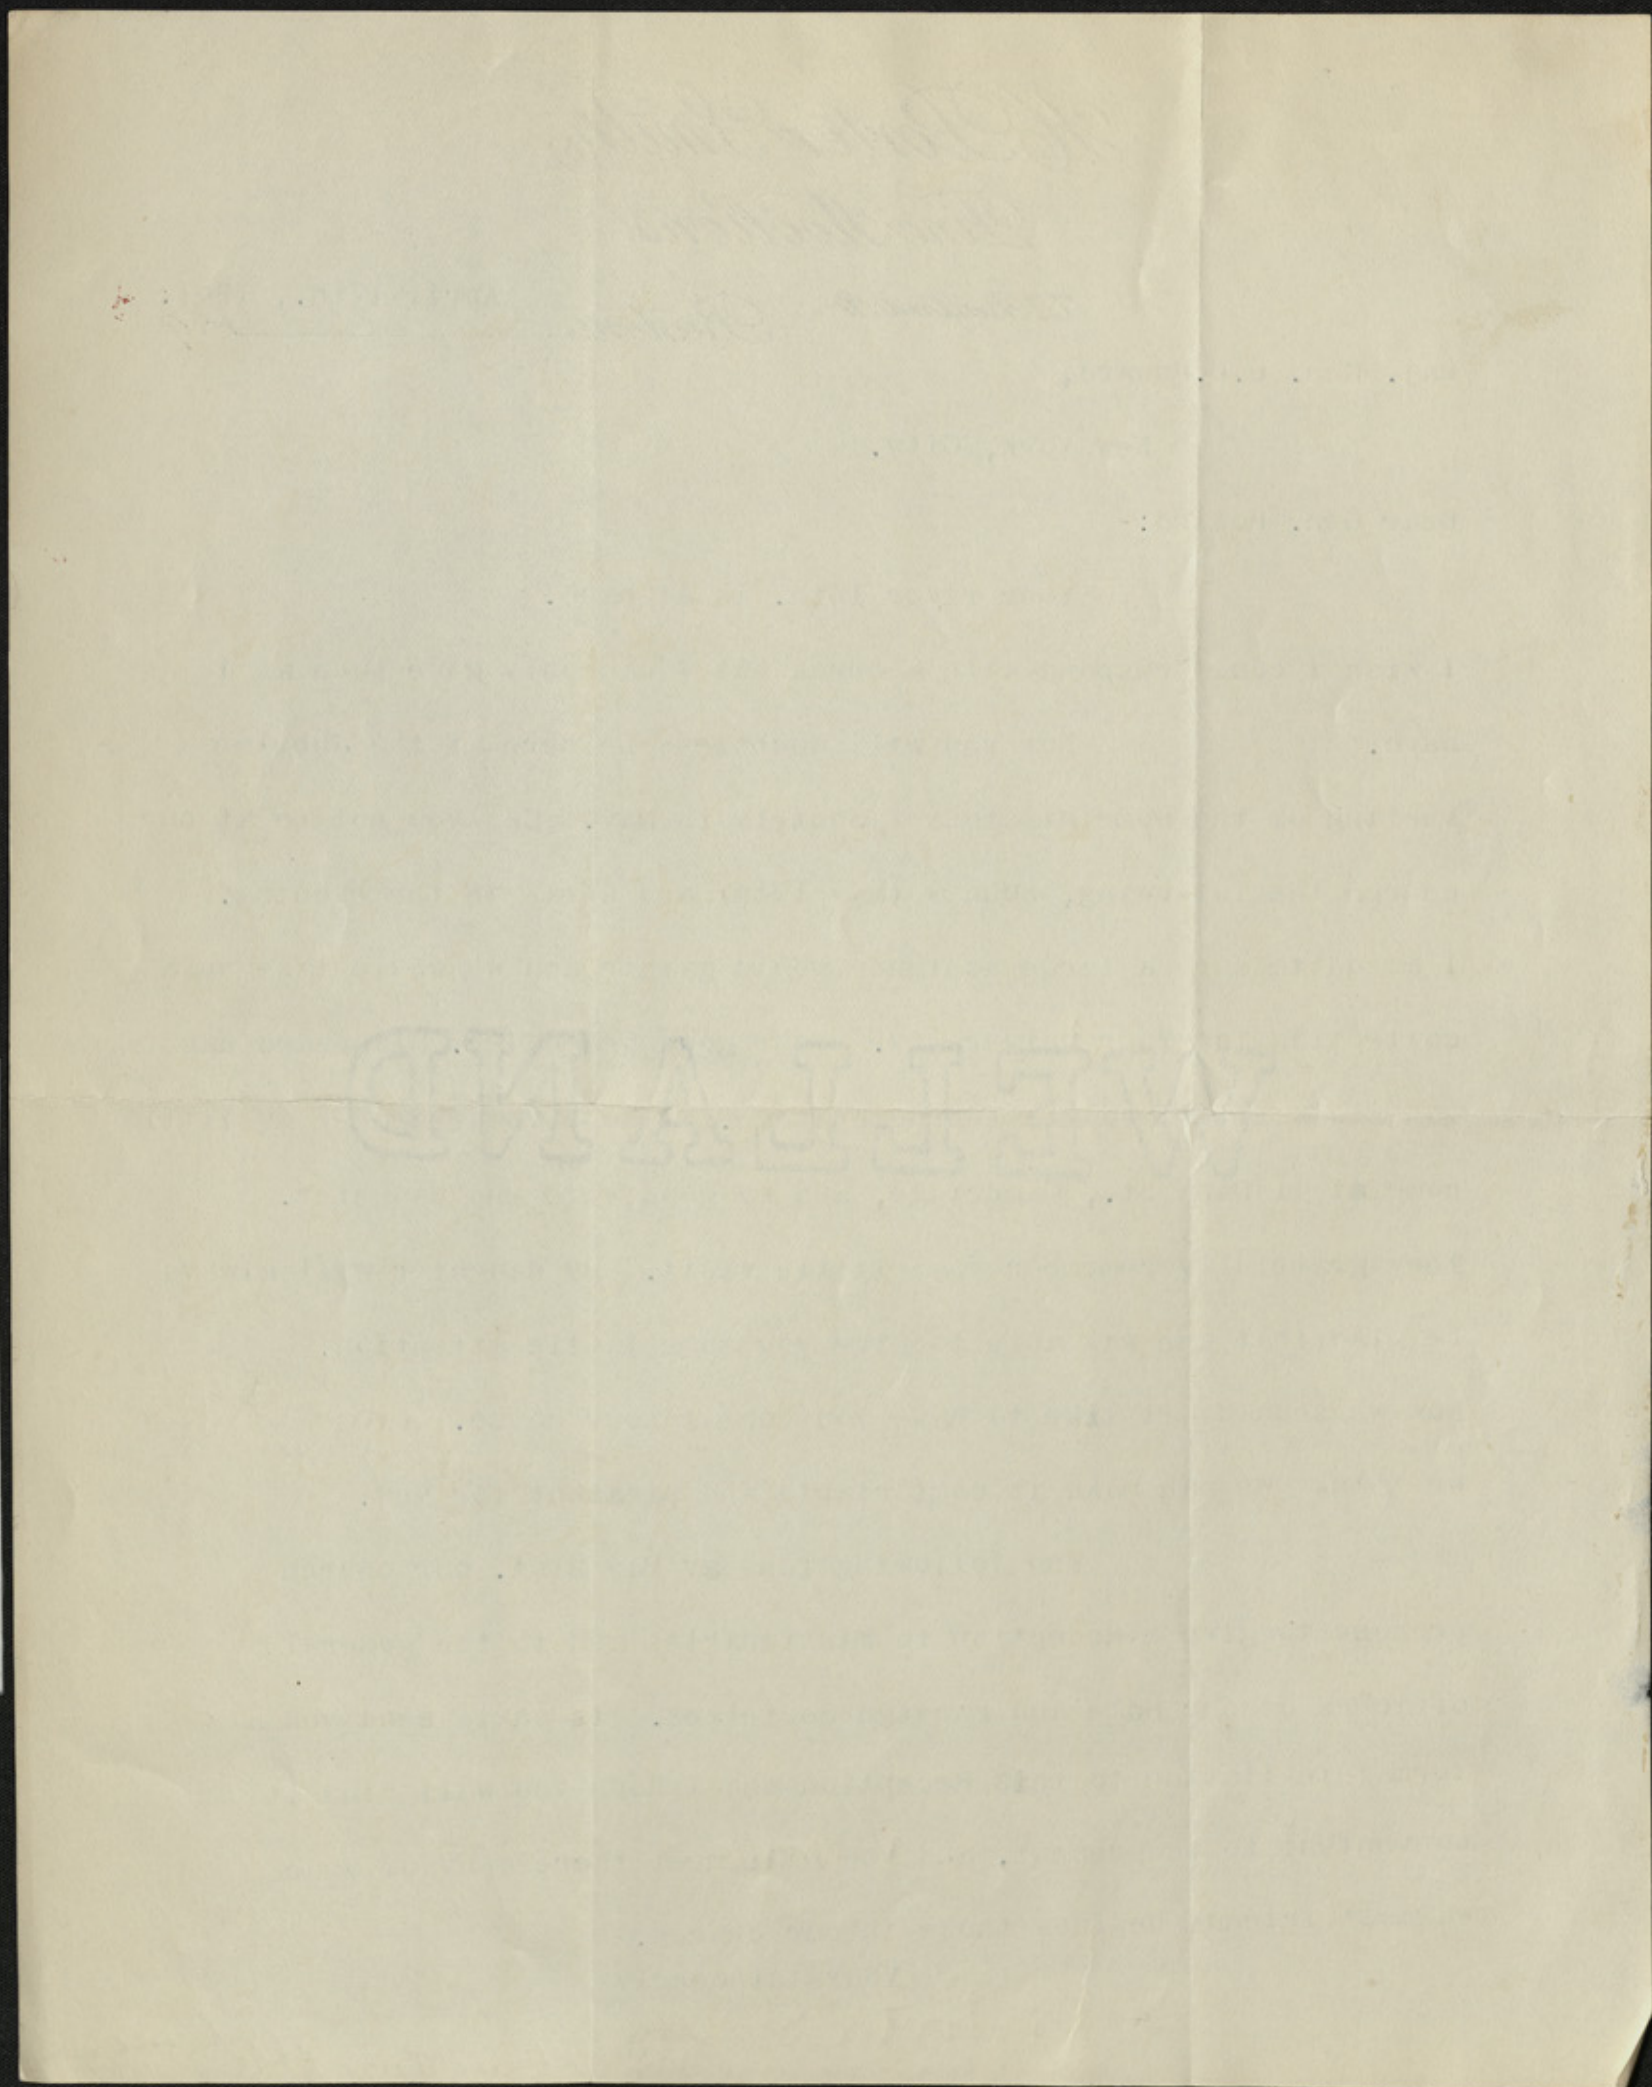

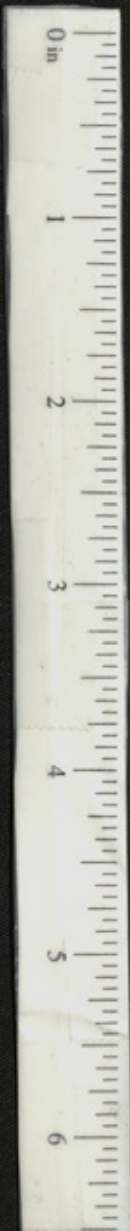

Now we should all like to have you come to our house, *on this occasion make it your home*. We think we can make it comfortable and pleasant for you.

The following Tuesday May 21st. our church propose to give a Reception to missionaries and to the general officers of our Home and Foreign Societies. It shall send you a formal invitation to this Reception and I hope you will find it convenient to be present, and you will meet there many of your warmest friends, besides those in our church.

Yours sincerely

Several of our friends here, who are personal friends of our Congressman, Mr. Brownlow, have written ~~to him~~, requesting him to recommend his appointment. I have also written to him, and today I send him a copy of your letter.

Nelson informed me that upon examination when he enlisted, he was ranked a non-commissioned officer; his drill and the information acquired while at the State University must have helped him.

I have today written to all our directors, asking them to assist us in paying all our debts before our annual meeting takes place.
