Dear General,

When you sent the vouchers a few days ago you signed the original and duplicate of the one for labor but you omitted to approve of either the original or duplicate of the vouchers for board. Please approve and sign your name to these vouchers and return them to me. Hope you are very well.

General O. J. Howard,

New York,

Dear Sir:

By some of the records of Maryville College, at Maryville, Blount County, Tenn., I see that you contributed a considerable sum to the endowment fund of that institution. It also appears that you made this contribution, upon the express condition, that there should be no discrimination against colored students. The Legislature of Tenn., recently passed an Act prohibiting the co-education of whites and blacks, in the same institution.

The directors of the college pretend they have set apart $10,000, retainer, the interest on $18,000, for the education of such colored students, as choose to go to a third or fourth rate colored school, near Rogersville, Hawkins County Tenn., and maintain that this action on their part is a full discharge of their duties to the colored race under the charter and donations made by you and others.

The colored people of Maryville are resolved to assert and maintain their rights in said college, and endowment fund, in the Courts, so far as it is practicable, for them to do so. To this end they have employed me to bring the proper action and to take proper steps in their behalf.

The purpose of this letter, is to inquire whether you will allow them the use of your name, in the bringing and prosecuting of
such a suit, and they are anxious to know your views of the matter. I will be obliged to you for an early reply to this letter, and will take pleasure in giving you any further information that you may desire, in the premises.

Very respectfully etc.

Diest.

Noble Smithson.

Dear Cousin

Mr. D.J. Setty informs me that he has invited you to his house for entertainment at our central celebration, and I advise you to accept, as they are better prepared to do so than we are as my family is now situated. Though we shall go to visit us, I expect some of my children from Iowa will be here to meet you.

My Beloved

Dear Howard,

I sincerely hope the exceptionally hot summer has had no injurious effect upon you and your dear ones. Mrs. Olney and I left home...
in May in response to a call to go to her brother lying dangerously ill at Burlington, Iowa. He became much better and after our arrival we came here to cheer my sister and nephews who since the death of my brother have been very lone-ly. We are planning.

Aug. 8th.

As the next event component of Reunion of the A.W.R. will occur at Cleveland Ohio next September and as it is assumed on all sides that you will be present on that occasion. Mrs. Clay and I will again entertain it at my home.

I have been in Washington, D.C., for several weeks now, and have begun to miss the city. It is a beautiful place, with its grand buildings and bustling streets.

I have been attending lectures at the National Academy of Sciences and have found them quite enlightening. I have also been working on a project related to the history of science, which I hope to complete soon.

I miss you all very much and hope to see you soon.

Yours sincerely,

P.S. I have been reading about the history of the United States and have found it fascinating. I hope to write a paper on it soon.

Dear M. Howard,

Many thanks for the package of introductory letters. Hardman was off and still makes good use of them. The marked copy of paper referring to Jay Cooke also went. His son, a prominent gentleman, owns a large factory nearby. Will invite him over here after my return from school and then plan to get him further interested!

Expect to see the President at Cascade about the 21st of this month. I will look after the work with new motives next week. Faithfully yours,

C. P. Howard
My dear Sir:

I am in receipt of yours of July 22nd and I am very sorry that Gen. Howard cannot see his way clear to speak twice for us on April 20th for $50. However, I am very desirous of his services on that date and if you are willing to hold this date for us for a little while I think that I can arrange the matter.

I am about starting on my vacation of two weeks but immediately on my return will make final arrangements.

Yours very truly,

Dear General Howard:—

I have just received yours of 27th, inst. The manuscript has not yet come to hand but will doubtless be here to-morrow. I shall be interested in reading it, and will bear in mind your suggestions about making changes. I fear, however, that I shall not be able to take it up for at least a fortnight, for I am just on the point of going away for a short vacation. I will look it over very carefully and you will hear from me soon after my return.

You may retain Col. Dodge's book just as long as you like, for a dear friend loaned it to me and all he cares for is that it is returned to him sometime.

You speak of coming to Hartford. I shall be very glad to see you here at any time and I want you to do us the great honor of stopping at our house. Please do this. We are only a few miles, by trolley, from Dr. Twitchell's daughter, Mary, who frequently comes to see us, and it would be pleasant for you to run down and see her while here.

I am glad to know that the book is practically done and I anticipate great pleasure in reading it critically. Meantime believe me,

Very sincerely yours,

A. D. Worthington

My Dear Mr. Howard:

In the absence of Gen. Dodge, I have pleasure in acknowledging receipt of your favor of the 27th inst. and to advise you I have referred the same to Mr. Miller Sec'y of the R.D.P.N. requesting him to send the passes if he can. Consistently grant them directly to you.

I trust they may be forthcoming and that you will have a pleasant trip.

Gen. Oliver O. Howard,

Dear General:

We expect to dedicate a very fine new building for our Young Men's Association, September 17-22. This is one of the finest plants of its kind in the country and has been erected at a cost of about $100,000. On behalf of the membership, the committee in charge of arrangements and the citizens of Springfield generally, it gives me great pleasure to extend to you a most cordial invitation to be present with us during the days of dedicatory services. The people of this city are deeply interested in our movement and the Advisory Committee is composed of such men as ex-Gov. Asa S. Bushnell, Gen. J. Warren Keifer, and others. It will be a personal gratification to these gentlemen if you will arrange to be present with us during as much of the time as possible but particularly on "Patriotic Day", September 20th, and for a banquet, at which we should like to have you as a guest of honor, on September 21, and "Association Day", September 22d, at which times we desire to place you on the program for addresses. I can assure you an enthusiastic welcome, magnificent audiences and a wide door of usefulness for our Lord and Master Jesus Christ.

Trusting to receive, at an early date, a favorable reply, I have the honor to be, General,

Dear Cousin,

Your letter was received in due time and we were very glad to know that you would make your home with us at Centennial time. There are several places in town where they have things in better style and we could do more for you then we but we are very glad to have you now and always and will do what we can to...
make your stay pleasant.

Ella's wedding is to be the 14th and Centennial on 13th.

Now when do you plan to come? How many are coming with you and how long do you plan to stay?

Would be very glad to have you stay a week if you could.

I think we can entertain five or six very nicely so when I find out how many of you there will be I can then tell how many others I can take.

We are all well. Papa is through haying and getting ready to cut his oats.

We want your family to come here with you.

If you feel that we have things stylish enough but if not we shall have more hard feelings about it.

With much love,

Dear Sir:

I beg leave to acknowledge receipt of your letter of July 27th with regard to re-union of the Third Regiment Maine Volunteers, at Fairfield, August 14th.

Will you please present my compliments to General Howard and say to him that we should be glad to have him with us at the meeting, but I do not think that that will extend beyond a day, as no arrangements have been made for a camp fire in the evening.

I write this as I would not like to have him make the trip to Fairfield and find the re-union dissolved. I remain,

Very truly yours,
