My dear Gen. Howard: --

Many thanks for your kind note of the 14th instant. I fear I shall be absent from Chicago at the time you mention and therefore write you. I have been wishing that you could help me to know a few people in New York. I think if you could introduce me to Mr. Carnegie, it would be helpful. Possibly Mr. Morton would be also willing to speak with me if you should ask it. I hope to be in New York along about the 20th or 24th of March. Will you return by that time, or will you still be in the West? I am not forgetting your own work, but I think, from what Mr. Carnegie's secretary said to me, it would possibly help your work if it helped mine, for me to see him. Of course you know many others in New York, and could give me counsel if I could meet you there.

With best regards, I am,

Sincerely yours,

Charles A. Blanchard.
We have been looking forward to your arrival. I am certain that you will find everything as we have described it and that you will enjoy your stay here. We are looking forward to meeting you and I am sure that you will be pleased with the arrangements we have made for your comfort.

I hope you will find everything to your liking. If there is anything you need, please let me know.

Yours sincerely,

Secretary Jones

Dear Sir,-

Dr. Guy Carleton Lee desires me to say that his business manager, Mr. H. E. Buchholz, will be pleased to meet you at Dr. Lee's study, 1707 Bolton Street, Baltimore, between 10 and 12 A.M. on Friday. He would suggest that the easiest way of getting to the study is to take a Linden Avenue car from the centre of the city to Wilson Street. Bolton Street is one block to the right.

Sincerely

Your kind

will be received with much
gratification and pleasure.
Accept my thanks for your
kindness.

I heartily endorse
the view you express upon
the chiffer question as the
only way to Christianize an
otherwise industrious and
peaceable people.

I have had the pleasure
At receiving the autograph of Gen. James Longstreet and the autograph and portrait of Gen. W. B. Franklin, I permit me to say in conclusion that no man in the army of '61 to '65 commanded my admiration and respect more than the gallant soldier, hero and Christian, who sacrificed his right arm at Fair Oaks for the good of his country and his name is General W. B. Howard, to whom I again extend my thanks, hoping Divine Providence may spare your life for many years to win the honor of 80 years of the people whom you so nobly served.

Sincerely yours,

The clipped gets you sent were very interesting! Mama thinks you were very right. She has always continued - Why should we exclude one foreign race and not the other? —

Is it your intention of visiting the Philippines this spring as was intended? Sincerely hope so.

My dear General:— It has been some days since we received your letter, also your grand photograph. The photograph looks just as if you were going to repeat. Mama & Papa were very delighted with it. Mama says it shall grace her drawing-room.

Feb. 20th 19—
I would never have neglected in answering your always very welcome letter. This length of time but owing to Mammy having a very severe case of Measles and it being so contagious we were unable to leave the house and thought it advisable not to send any mail.

Yes, I attended the Military Ball which did cure myself sold, but regretted that I did not have the pleasure of meeting your son, as he was not present.

Evening before last I recited at a reception. Yes, and they said I did very nicely.

Next month, I will recite a very beautiful selection at the Church affair, of which I will send you a copy.

You remember, Rev. Coos, the young gentleman who makes his home with us? Lately, he has joined the Y. M. C. A. of which he is becoming very
for then we can anticipate the pleasure of seeing our General once again.

Mrs. Capt. Goodall is building a beautiful house on the corner and in the entire block, which was formerly their grounds, is being erected some very elegant houses.

Dear General Howard:

Your favor of recent date to my Father, together with a clipping from the Boston "Transcript" is received. I understand that the question of Southern education is one of special importance in the minds of many men at present and that it is hoped some definite plan may be evolved. The matter is, however, only in the embryonic stage and the papers have as usual taken up themselves to prophecy, rather than to record facts.

Very truly,

John D. Rockefeller

Walters will be in in the morning. It is always a joy to see him. He will help me run the Shelbyville Assembly again this summer. With good wishes,

Kindly permit me to make this request of you.

Will you please ask the Quartermaster General to secure the transfer of Miss Sophie C. Robinson from the position of Assistant Civil Engineer in the Quartermaster General's Office, War Department, which she has been occupying temporarily.
for the past three months, to
the first vacancy which occurs
on the temporary roll in that
office.

Sincerely yours,
Emily E. Robinson.
My dear General Howard:

I desire to give you a brief explanation concerning the favor I have asked of you.

Miss Sophie C. Robinson has, for the past three months, been filling a vacancy in the position of Assistant Civil Engineer in the Quartermaster General’s Office of the Army Department. A man has just been certified by the Civil Service Commission to fill this place.

I understand there is to be a vacancy on the temporary roll in the Quartermaster General’s Office at once, to which she can be assigned, if she can receive.
Kindly remember me to Mrs. Hesford.

For truly yours,

some good influence in her behalf without delay. Unless she has strong words of commendation from a good friend like yourself, the great pressure of these for someone else may cause her to lose this opportunity.

The officials under whom she has been working are willing to have this transfer made, and she has amply earned it by performing satisfactorily the duties assigned to her, during the seven months she has been employed in that office last winter and this winter.

I would be glad to have you make this request of Quartermaster General Biddington.
