General O. O. Howard,
Burlington,
Vt.

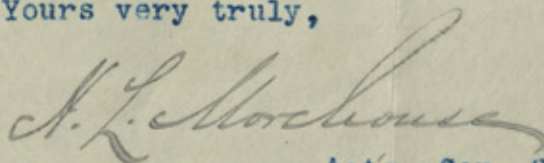

Dear Sir:-

The Executive Board of The American Baptist Home Mission Society is arranging for a Memorial Service for General Thomas J. Morgan who died July 13th. At that service it is the purpose to have the various aspects of his life work presented briefly by those who knew him and the work which he did.

On behalf of the Committee of Arrangements I write to invite you to speak upon his "Army Life and Service" especially in relation to the organization of colored troops. It is hoped that General Eaton will speak of his service as Indian Commissioner, and others of his work as Corresponding Secretary of the Society.

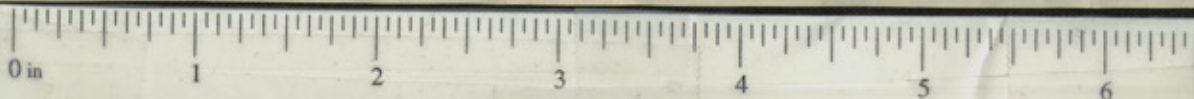

In all there will be six or seven addresses so that from fifteen to twenty minutes will be the most that can be allotted to each without making the service too protracted. It is proposed to hold the meeting at Calvary Baptist Church, New York City on Thursday, October 2nd. The Society would regard it a great favor if you can be present at the meeting, and will defray your expenses of coming to New York for this purpose. An early reply will be esteemed a favor.

Yours very truly,

Act'g. Cor. Sec'y.

Dear Sir and Brother.

Will you please send me by return your autograph name for the book you wrote an article for quite a while ago. The enclosed will explain itself. I kept your article for the occasion but letter must have been mislaid, hence have not your name in your own writing. I am having these introductions all made into zinc etchings. Will send you book I think before the holidays.

Truly yours.

I hope you are enjoying good health, and I shall be very happy to see you when you are next this way.

My dear General:-

The Fourth Army Corps will hold a reunion in this city during the Grand Army Encampment, and as Secretary of the Committee on Reunion of the Corps, I am using every effort possible to make our reunion a grand success. Circulars are being sent to two thousand of our comrades out in the States; we will have a large tent for headquarters in which to receive our comrades and their wives and children, and at a certain hour of a certain day--not yet fixed--each Corps will have a reunion, at which speeches, music, and all those things that make life pleasant, will take place.

I cannot give you the hour on which the Fourth Army Corps reunion will be held, nor the day, but I do confidently rely upon you to make a brief speech on that glad occasion.

I am also writing to ex-Senator Manderson, General T. J. Wood, General William Grose, Brigadier General Jacob H. Smith, and the Hon. Washington Gardner, to make addresses on that occasion. The Hon. Mr. Gardner was a high private in Harker's Brigade; he is now a Member of Congress from Michigan.

Please signify your acceptance of this invitation, that I may hand it to the Program Committee.

My dear General Howard:-

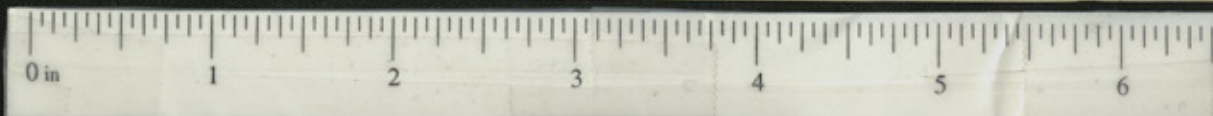

I cannot but wish that some official duty or something else would call you to Japan at this time when there seems to be such a spirit of inquiry on the part of the Japanese into Christianity and its demands. There are few men in this country who could go to Japan and make more of an impression on the people than you yourself. The Japanese are hero worshipers; the military officer stands the very highest in their estimate of heroic character. The honorable position which you have long held in the United States Army and this country would give you the widest kind of hearing in Japan; a man of your standing and reputation would carry great weight as a witness for Christianity.

I wonder if during the next year or two you will not visit that Sunrise Kingdom and if you do you will not allow our missionaries to make arrangements for you to address companies of English-speaking Japanese at the great centres. Such a visit by itself would be a wonderful help to the cause of Christ in that Empire.

I remain, with sincerest esteem,

Faithfully yours,
