 Charity -

You have been glad when you knew I was gladdened—  
Dear, a e you sad now to hear I am saddened!  
Our hearts ever answer in tune and in time, love,  
As octave unto octave and rhyme unto rhyme, love;  
I cannot weep but your tears will be flowing—  
You cannot but smile but my cheek will be glowing--  
I would not die without you at my side, love—  
You will not linger when I shall have died, love.

Come to me, dearest, I'm lonely without thee.  
Day-time and night-time I'm thinking about thee.  
Night-time and day-time in dreams I behold thee—  
Unwelcome the waking which ceases to fold thee.  
Come to me, darling, my sorrows to lighten.  
Come in thy beauty to bless and to brighten.  
Come in thy womanhood, meekly and lowly,  
Come in thy lovingness, queenly and holy!
