

Special Collections & Archives: Exploring Digital Resources

The term “digital surrogates” refers to digitized versions of physical primary source material, including (but not limited to) images of text pages and photographs.

Find a digital surrogate relating to Bowdoin’s Class of 1825 in each of the digital resources listed below and respond to the questions that follow.

- Bowdoin History Photographs: <http://images.bowdoin.edu>
- Bowdoin Digital Commons: <https://digitalcommons.bowdoin.edu/>

Bowdoin History Photographs Digital Surrogate:

What is the primary source that this digital surrogate replicates?

What additional information might you like to have that is not provided with the digital surrogate?

How would you find other material (digital or physical) related to this source?
